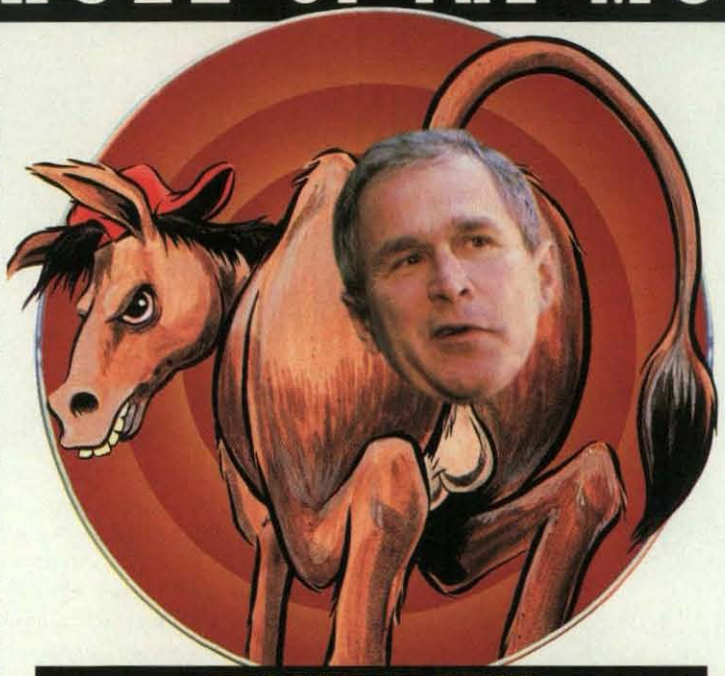
Bits & Pieces

ASSHOLE OF THE MONTH



GEORGE W. BUSH

Just as the apple doesn't fall far from the tree, the turd never drops far from the shitter, particularly in the case of rectal slime baby and current Republican presidential candidate George W. Bush. "Junior" splashes down to join his father, former President George Bush (*Asshole of the Month*, November 1988), in the toilet of infamy as HUSTLER's Holiday 2000 Asshole of the Month.

While no intelligent person would doubt that Dubya has spent a lifetime cruising on Papa Bush's fumes, only a fool will deny that W. has earned his crown of sphincters all by himself.

As a "compassionate conservative," Bush promises to "usher in the responsibility era" and "blow the whistle on failure." This is big talk, coming from a hemorrhoid whose family connections have allowed him to sidestep responsibility like so much dog shit. If a whistle blew for every one of Dubya's failures, every American would be deaf, and free from this septic gasbag's effeminate whining.

After being waved through his father's alma maters at Andover and Yale—where the "unexceptional student" reportedly seemed "to have majored in drinking"—Junior dodged the Vietnam draft in 1968 by signing up for the Texas Air National Guard.

At the time, the Guard had a year-and-a-half waiting list in Texas, but George, whose father was then a Houston congressman, was ushered into flight school, despite scoring 25% on the pilot-aptitude test.

Last year, the *Los Angeles Times* suggested that strings had been pulled to spur G. W.'s incredible lucky streak in the Guard. The candidate shot back, "There was no special treatment." When further scrutiny indicated that a family crony *had* exerted influence, Spurious George's story changed to a limp-wristed, "All I know is anybody named George Bush did not ask...for help."

George of the Bungle continuously failed upward during his entrepreneurial years. A series of oil ventures invariably flopped, but with a father in the White House, the gilded fuckup encountered no shortage of sycophants to further fund his ineptitude. Bush bailed out of the last such firm, Harken Oil and Gas, with a suspected insider trade that sparked an SEC investigation. When the apparent impropriety was exposed in 1994, Bush hid behind his mother as she addressed the allegations. "It makes me pretty darn mad," Babs fumed over the questioning of her son's honesty.

W. must have inherited his reaction to criticism from his mother. "There ought to be limits to freedom," W. snarled in May 1999 because a parody Web site mocked his hypocrisies.

The candidate was more supportive of turd-hurling disinformation this past March, when Texas bigwigs Sam and Charles Wyly, who had contributed more than $200,000 to Bush's gubernatorial campaigns, issued furtively funded attack ads aimed at Bush rival John McCain.

"This is America, where they can express their opinion," said snide W.

But honest journalistic inquiries into allegations of past cocaine use make Georgie squirm like a cellblock bitch. Bush puked up a series of feeble nondenials, waffling, "when I was young and irresponsible, I was young and irresponsible."

In 1994, he sniffed at a reporter, "Maybe I did, maybe I didn't. What's the difference?"

The difference is obvious to nearly 30,000 citizens who were arrested in Bush's Texas for cocaine possession in 1998. The governor, who maintains that "incarceration is rehabilitation," approved legislation allowing judges to sentence first-time offenders possessing less than a gram of cocaine to six months in jail. The question must be asked: How would six months of rehabilitative incarceration have improved Bush as a presidential candidate?

"Compassion" has also led W. to sign off on 134 death warrants since becoming governor in 1995. His hit list includes two mentally retarded inmates, one of whom had the reasoning skills of a seven-year-old, just a cunt hair shy of Dubya's estimated intelligence.

Jesus Christ—Bush's favorite philosopher—once counseled, "Whatever you want men to do to you, do also to them."

If George W. is really following Christ's example, his actions indicate a desire to be locked up and fried. The unfortunate reality is that Dumbya's taking his father's lead, which means that he's just another Asshole turning his cheek to blow a stale fart in democracy's face.

FARTS IN THE WIND

Lee Alcorn: Alcorn was the president of the Dallas NAACP until he deviated from the civil-rights group's mission to "eliminate race prejudice" in August. Discussing Al Gore's Hebrew running mate, Joe Lieberman, Alcorn proclaimed that black voters "need to be suspicious of any kind of partnership with the Jews...because we know that their interest primarily has to do with, you know, money and these kinds of things." Alcorn was subsequently rendered unemployed, but we hear that the National Association of Asshole Colored People is hiring.

Loretta Sanchez: The vice chairwoman of the Democratic National Committee sparked a furor with a planned preconvention fund-raiser at the *Playboy* mansion. We at HUSTLER share this outrage—why didn't the Asshole ask Larry Flynt, who has actually done something constructive for her party, to host the soiree?

"Now, I don't want to get off on a rant here, but there's a popular misapprehension that you need to be Red Grange to announce football. Calling a game isn't Wernher von Braun/Robert Goddard-level stuff. It's like I'm selling exam papers on the subject of steroid-fueled human collisions, footnoted with arcane references like some gridiron Herodotus. And how big a jock was he?

"I mean come on—if I blow this gig, it won't be a first. There was Cosell and the whole monkey fracas. And is this not the network of Dan Tanna and Binzer? Man is at constant odds with his demons, and failure is just the Frosted Flakes in hell's big Kellogg's Variety Pak. To keep my Frosted failure-demon at bay, I try to emulate the opossum, that wily marsupial who focuses on his own pocket and lets the oncoming U-Haul Super Mover that's gonna spread him across the freeway flatter than a Twiggy poster take care of itself. Of course, that's just my opinion. I could be wrong."

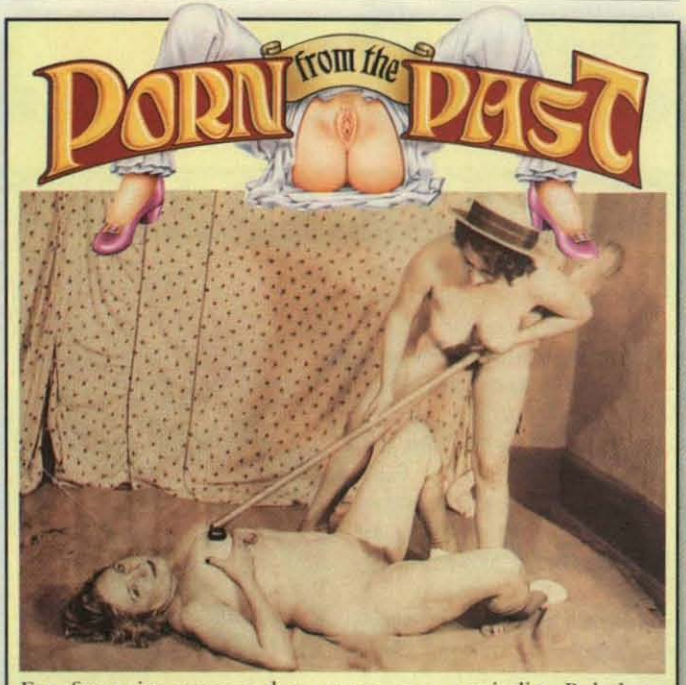
AD PARODY. NOT TO BE TAKEN SERIOUSLY. DENNIS MILLER DID NOT SAY THIS—IT'S TOO BRIEF. PSEUDOINTELLECTUAL WINDBAG'S OVERINFLATED HEAD STRIPPED ONTO OUR SPORTS FIGURE.



Far from its present-day status as a capitalist Babylon, Hungary under the Communists was so repressive that most girls didn't know what a dildo was. The Wczl sisters, Zvcerna and Xoxocek, envisioned something smaller than a broomstick and bigger than a flashlight battery, but their experiments were clearly a case of aiming too high.

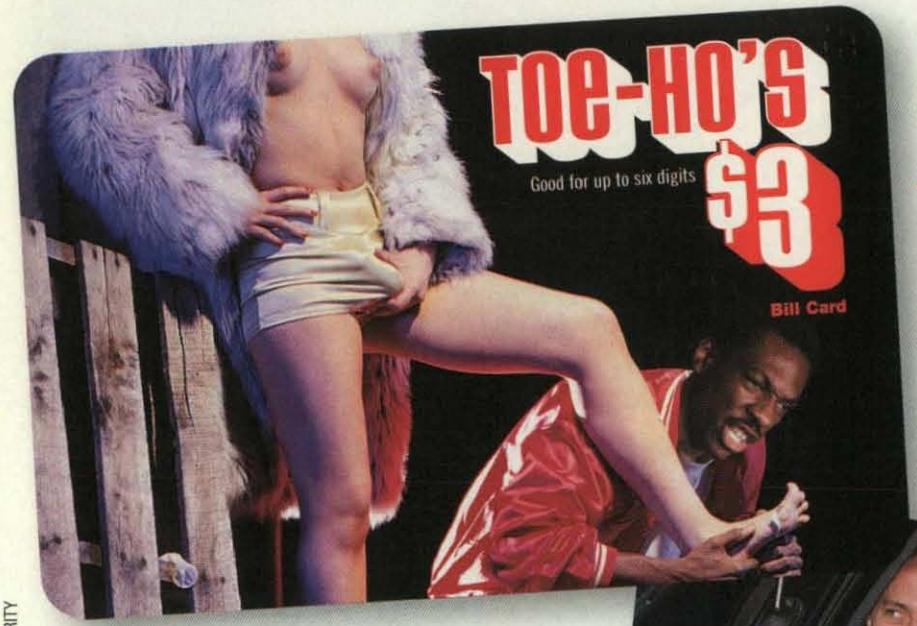
Celebrities Endorse Whores of all Denominations

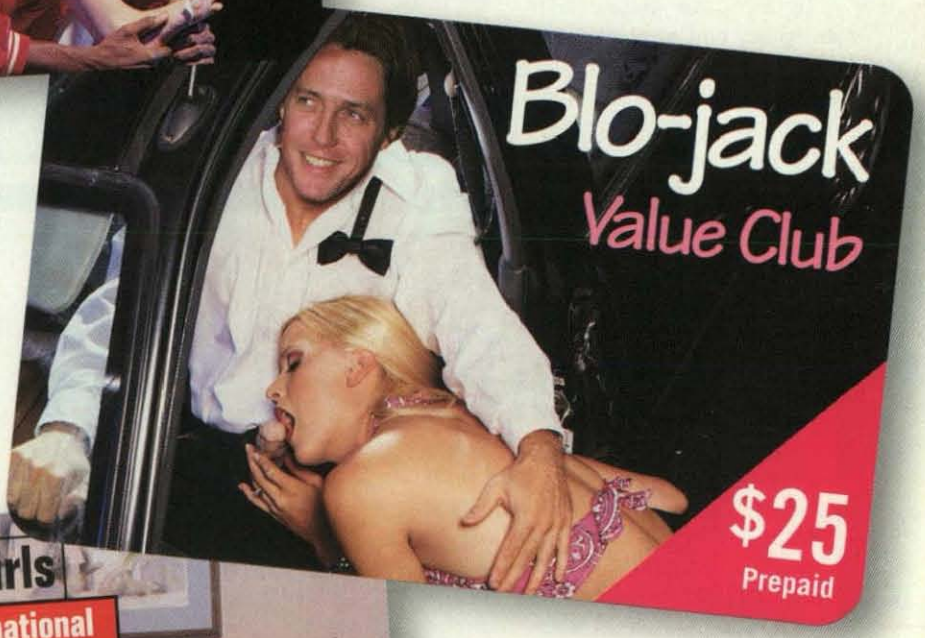
Prepaid Fun Cards

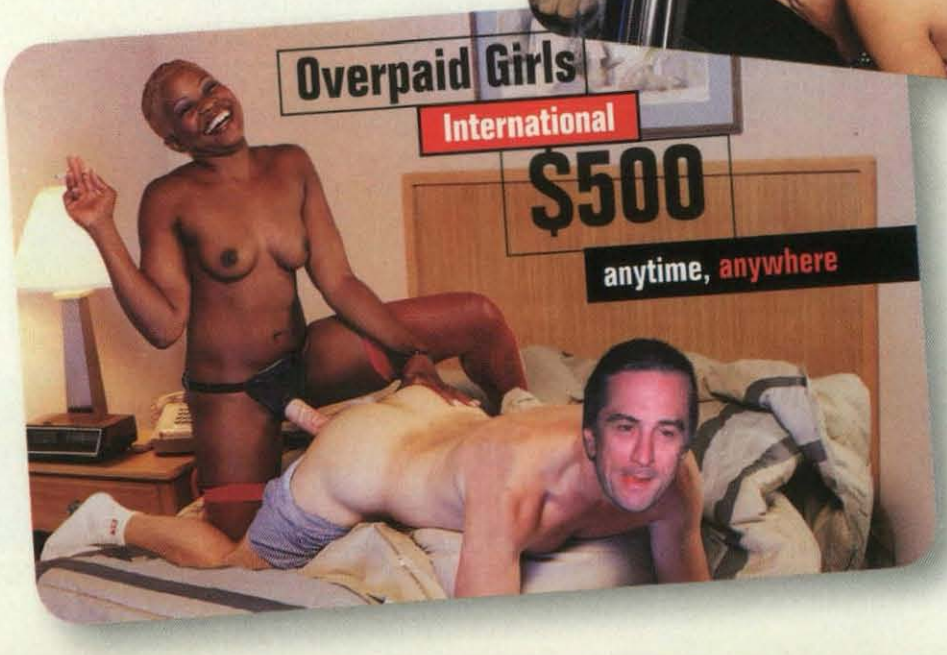
With more and more stars cashing in on the telecommunications racket, all-too-recognizable faces shill everything from collect-call services to collectible phone cards. HUSTLER foresees a time when the rich and famous take the next step in self-exploitation and license their sexual predilections to peddle prepaid ass.



***Eddie Murphy**'s comic sensibilities can be marketed to liven up the face of bottom-feeder fun cards devoted to such unredeemable callings as slobbering over a tranny's feet.*

*Now that Liz Hurley has left, **Hugh Grant** is free, even if blowjobs aren't. The fey English fop's career may have slowed, but how about utilizing Hugh's image to sell these tickets to the drive-in?*





***Robert DeNiro**'s name has been linked to high-priced French callgirls, and a cautionary photo of the Raging Bull as a switch-hitting taxi driver might make johns who spend too much for their hotel-room romps feel like sophisticates rather than suckers.*

It Takes a Jew Bastard

1974: The future Ms. Clinton appeals to swing voters.

PARODY. NOT TO BE TAKEN SERIOUSLY. ENRAPTURED CELEBRITY SHIKSA'S HEAD STRIPPED ONTO OUR MODEL'S BODY.

Malicious types have been circulating allegations that, after Bill Clinton's failed 1974 bid for Congress, his fed-up girlfriend called campaigner Paul Fray a "Jew bastard." As often happens, Hillary was misquoted. Few gentiles can match the outgoing First Lady's passion for the children of Israel.

In fact, this Judaic fever underlies her support of the Palestinians: In Hillary's book, anybody who has been licked repeatedly by the Jews must be okay.

Erotica Universalis II

Want to bed an intellectual snatch? Show her your museum-quality porn. *Erotica Universalis II* (Taschen, 2000) lifts the veil from humanity's long fascination with smut, from Rembrandt to R. Crumb. The volume's 700 pages offer such highfalutin stroke fodder as Picasso's penetration sketches; filthy, anonymous Victorian lithographs; and Guido Crepax's ass comics.

Once *Erotica Universalis II* greases the hole of acceptance, your snooty bitch will quickly become inured to the cultural tropes implicit in the hard-core idiom. Even if the book fails to make her twat steam like a teakettle, you'll still have 700 pages of dirty pictures.

Erotica Universalis II is widely distributed. If the title is unavailable in your area, most major online booksellers carry it.

NRA pitchman and stiff-as-nails movie star Charlton Heston recently spent a few weeks drying out in rehab. HUSTLER's 2000 *Beaver Hunt* Grand Prize Finalists

The most venerable and democratic erotic-amateur contest in the world, *Beaver Hunt* relies on HUSTLER readers to choose the most fuckable of the year's next-door nudists. As the Top Notch of 2000, the *Beaver Hunt* Grand Prize Winner will travel to a glamour capital for an extensive photo shoot and a $5,000 award.

Vote for One

☐ Sara

Beaver Hunt Finalist #1, "First in the Saddle," May 2000

Beaver Hunt's peeing cowgirl, flaxen-tressed Sara loosed a miniature Pecos river for photographer Clive McLean in her May layout. The 23-year-old Minneapolis, Minnesota, maverick wants you to be able to mosey across her Grand Prize spread and wrangle yourself, but she needs your ballot to make it happen.

☐ Aria

Beaver Hunt Finalist #2, "Second to None," June 2000

Her name refers to grand opera, and 22-year-old Aria doubtless has the lungs to shake some rafters. A native of Los Angeles, California, this dancer-diva sports front and rear balconies that draw erectile ovations from music lovers and brick-shithouse devotees alike. Your vote will support her erotic arts with a $5,000 grant.

☐ Ryan

Beaver Hunt Finalist #3, "Triple Delight," September 2000

September's layout of this tight, 21-year-old Dallas, Texas, pixie dressed in a white sweater and stockings had readers as well as editors painting the ceiling with gobs of approval. Ryan fantasizes about "sex in the world's tallest elevator." Does she dream of going up or down? If she wins, we'll let you know.

☐ Trisha

Beaver Hunt Finalist #4, "The Fab Fourth," December 2000

This 19-year-old, pierced blossom from Winston-Salem, North Carolina, delivered a smoking photo shoot on a patio. The tobacco-country teen needs $5,000 to defend a class-action lawsuit from men who saw Trisha's sweet, pink chaw, imagined how tightly her nick fits, and gave themselves wrist strain.

Classic Girls

I recently discovered an old back issue of HUSTLER dated July 1978. What makes this particular issue classic for me is the pictorial spread called Female Masturbation. How do I find more info about old-school photographers such as Suze Randall? ***—S. H.***
Detroit, Michigan

It's pretty amazing that a 22-year-old magazine can still drive men mad. Hell, that issue's older than the girls in BARELY LEGAL and still has what it takes to grow bone. If you're looking for more from the beautiful camerasmith Suze Randall, http://suze.net is a good place to start.

Yellow Streak

What are you trying to do to me? All the urination in HUSTLER is making my dick so hard that I can barely stand it! The highlights of September's HUSTLER were the shots of a Tijuana whore peeing ("The New Golden Shower Dollar," Bits & Pieces) and the lesbo chicks, spread wide, emptying their bladders (Shay & Victoria: Pissing Bandits). I could almost taste the sweet feminine nectar gushing from Shay's and Victoria's twats. I agree with R. T. from Maryland and A. J. from New York (Feedback, September 2000). I also want to see more pee and cunt-licking in HUSTLER. ***—S. L.***
New York, New York

We've noticed that praise for tinkling models has grown from a mere dribble to an honest-to-God deluge. Keep writing in support of pee, and we'll keep catching bathroom breaks on film.

Pam Dunk

I just received my October 2000 issue of HUSTLER and nearly had a stroke. Great magazine, as usual, but I have one gripe. Why were only six pages dedicated to Pamela (Pamela: Leisure Slit)? That hot piece of ass deserves at least a dozen, if not a whole issue. ***—M. H.***
Buffalo, New York

Antique Squack

Is there any way that I can purchase reproductions of the old pictures in your "Porn From the Past" section without buying all the back issues of HUSTLER? ***—J. H.***
Astoria, Oregon

For the time being, fans of old-timey erotica have two options: either keep clipping pics from HUSTLER, or do like our contributors do, and scour estate sales for dusty boxes full of deceased hotties from yesteryear gallivanting in the buff. You will be glad to hear that HUSTLER's Net monkeys have been kicking around the idea of a "Porn From the Past" Web site. We'll be sure to let them know that you're dying to see our historic smut compiled.

Jewel: Tie Me Down, Sex Me Up

CONSUMER ALERT: When ordering merchandise through any mail-order supplier, minimize your risk of being disappointed by dealing only with mail-order merchants who accept credit-card payment and have a working phone number in their ads. Any offer that seems too good to be true is probably untrue.

Precious Jewel

Though I often find HUSTLER's articles interesting and the girls eye-popping, I never write letters. That changed when I saw Jewel (Jewel: Tie Me Down, Sex Me Up) in the September 2000 issue. I've never seen a pussy more visually arresting than hers. Jewel's clit is worth more to me than a million rubies. I'd like to see more of her with her shoes off so I can see her soles, the skin between her toes and every other bit of flesh on that wonderful body. Finally, a girl who inspires me to whack off and put pen to paper. ***—J. B.***
Washington, D.C.

We're fans of Jewel as well, and we don't mean the waifish singer-cum-poet whose screechy voice is always befouling the radio. Thanks for the praise. We noticed that your letter reveals bonafide foot-fetish tendencies. If you haven't checked out HUSTLER'S LEG WORLD, our own salute to lovable female tootsies, we recommend you call (800) 386-7595 and snag yourself a subscription posthaste.

than from looking at your pictorials. The pictures are too watered down for my taste. I want to see photos that make my jaw slacken, stir every hormone in my body and cause my right hand to shoot directly into my shorts. HUSTLER just doesn't evoke that visceral response anymore. Please upgrade your magazine's raunchiness to levels that will inspire the aforementioned side effects.

Have you seen HUSTLER XXX? One look at the hard-core version of America's Magazine is known to make eyeballs bulge out of sockets, erections burst through pants and cause readers to lose all motor skills, apart from spastic, fist-to-groin convulsions. Obscured Beauty

I'm a little disappointed by the picture of Amanda (Beaver Hunt) in the October 2000 issue of HUSTLER. You can only see half of her face. Who picked out that pose? All you can see is her backside, and there's not even a hint of tit. I know that it's called Beaver Hunt, but I'm 46 and have been around awhile. I like to see a girl's beautiful visage; it helps to set them apart from all the other pussy. Now your only choice is to make Amanda a Beaver Hunt Finalist so we can see all of her God-given gifts.

—K. C.

Sorry, K. C., the fella in charge of *Beaver Hunt* photo selection is a molelike, four-eyed mook with beaver on the brain. We agree that the best part of a girl is all of her. Both the horizontal and vertical smile deserve attention. In our slit-sighted employee's defense, sometimes the rear-angle twat shot is the best snap we receive. Tell your female friends who enter the *Beaver Hunt* to send lots of photos, and show plenty of beaver in all of them.

Lovin' Alexis

I just received the September 2000 HUSTLER. Man, you guys sure know how to pick them. In my book, Ms. Alexis is Beaver of the Century. I would love to see her in a full spread. She's the hottest chick I've seen in Beaver Hunt all year. I have to go now; my boner is calling me. Please answer my prayers and give me more of sexy Alexis.

—M. B.
Boston, Massachusetts

Finalist Fantasy

I would like to compliment you on the layout of Beaver Hunt Finalist Ryan (Ryan: Triple Delight) in the September 2000 HUSTLER. She's a total knockout. I hope to see more of her in HUSTLER in the near future. Keep up the great work.

—C. V.

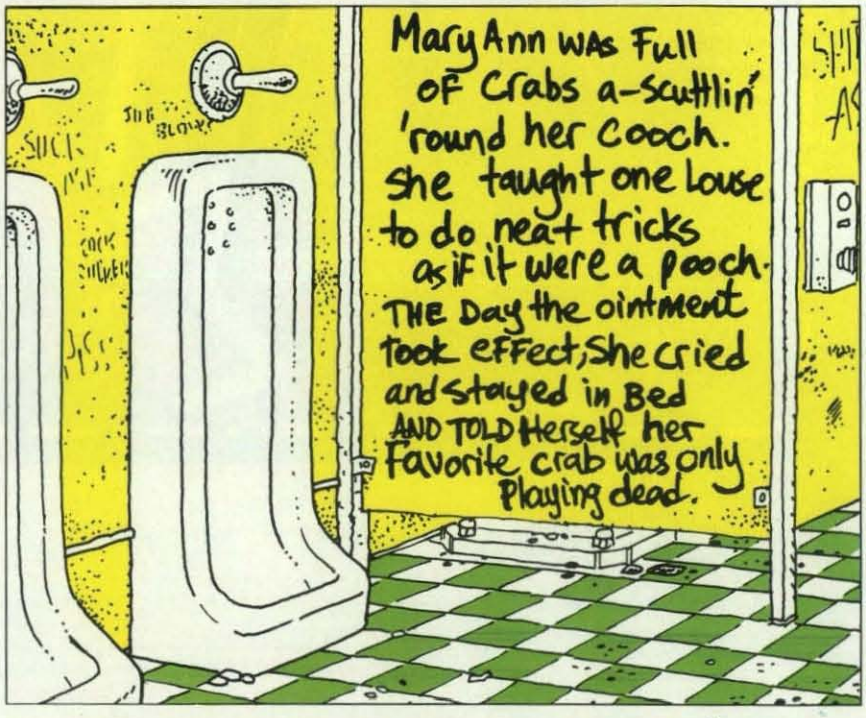
Bummed about the results of this year's election? Sick of having to pick the lesser of two evils? Once again, HUSTLER gives the populace a reason to be excited about the electoral process. Our annual poll offers multiple candidates, each hotter than the last. Savor the options, turn to page 12 and make yourself heard by voting for your favorite *Beaver Hunt* Finalist.

Whore Conger?

In selecting Darva Conger as Asshole of the Month (October 2000), HUSTLER has proved itself hypocritical. Your founder, Larry Flynt, has been a schemer, a scammer and a street-wise hustler all his life. His bar in Ohio employed and hosted its share of hookers. I can't argue with your calling the 50 competitors of Who Wants to Marry a Multimillionaire "would-be whores"; I'll defer to Mr. Flynt's lifelong experience. I do, however, take umbrage at denying Ms. Conger the freedom of taking full advantage of her 15 minutes of fame.

GRAFFILTHY



Mary Ann was full of crabs a-scuttlin' 'round her cooch. She taught one louse to do neat tricks as if it were a pooch. The day the ointment took effect, she cried and stayed in bed and told herself her favorite crab was only playing dead.

Feedback

HUSTLER has no problem with whores, but does take offense when one reneges on a deal. Darva Conger is an overblown example.

Could it be that Playboy outbid HUSTLER for a pictorial spread of the momentarily famous trollop?

—L. N.
Menard, Illinois

HUSTLER has no problem with whores, but does take offense when a doxy reneges on a deal. It's a real bitch when a penny-ante streetwalker takes her fee, then turns tail and books before the john can wet his dick. Now imagine this slattern whining to the nightly news about her trials and tribulations as a wallet-stealing ho. Darva Conger is an overblown example of this two-faced hypothetical. HUSTLER stands by its position in calling the money-grubbing press junkie an Asshole, and prefers to reserve its budget for the hard-working women who put out.

Monochrome Fanatic

It is without a doubt that your publication is the skankiest of all. But may I make one suggestion? Tell your photographers to shake things up by using black and white film once in a while.

—R. F.
Buena Park, California

While we're touched by what we think is your praise, R. F., we stand by our motto, "Think pink." Of course, you'll occasionally catch a glimpse of gray-scaled twat in "Porn From the Past," but otherwise, we prefer our pussy in living color.

Capitol 'T'

I saw the pictures and read the article accompanying Tracy's photo spread (Tracy: Deep Inside the Body Politic, November 2000) and would like to send out my best wishes and support to that superb woman. Tracy is extremely sexy, and her insight into the dark side of Washington, D.C., was very enlightening. What all those losers in the Capitol forgot was that beauty and intelligence can come in the same package. I would consider myself the luckiest man in the world if I were to meet someone like Tracy. When God made Tracy, he broke the mold. Those idiots had only one thing on their minds and couldn't see what Tracy really had to offer: the best of both worlds. Thanks, HUSTLER, for recognizing Tracy's inner and outer beauty.

—B. J.
Appalachia, Virginia

This is the first of what we predict to be an outpouring of support for Tracy. Don't thank us, B. J.; thank Tracy for being a babe with the brains, body and balls (figuratively, of course) to step forward, pose for HUSTLER and tell it like it is. HUSTLER salutes Tracy for enlisting as a soldier in Larry Flynt's campaign to topple hypocritical politicians. We'll continue the crusade by presenting more like-minded women and giving the readers' privates more opportunities to stand at attention.

Do you have a comment or complaint? We want to hear it. Send your letters (typed or neatly handwritten) to HUSTLER Feedback, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211, or E-mail to hustler@lfp.com. Include a phone number if you want your letter considered for publication.

Dear Slut

This month in her regular column, porn legend Jeanna Fine responds to readers seeking erotic enlightenment. She invites you to drop her a line and join her on the fearless quest for the fucking truth.

Jeanna Fine Tells the Fucking Truth

Common Scents

I have never had the opportunity to smell pussy, and you have such a fine body that I figured you could help me. I read once in another men's magazine that quim has a musky scent. Since I have no idea what a woman smells like down below, could you send me a few pairs of your unwashed panties? I will pay for them. I'm sorry if this letter offends you, but I want to whiff pussy so bad that it's driving me nuts. —T. F.

Charleston, West Virginia

I can't offer you a quick fix with my stinky undies, since my fan-club members are already in line for my back-ordered britches. I'm guessing that what you *really* want is a taste of poontang. Since your letter reeks of inexperience, allow me to offer some words of wisdom. You need to befriend a girl before you can expect to savor her kitty's aroma. The only way to do that is to go out, talk to chicks and try to woo your way between their thighs. Whether it's working for the real thing or ordering a dirty pair of chick undies through the mail, patience is your path to the sweet smell of snatch.

Can't Wait

I'm a chick who's more like a guy when it comes to masturbating. I play with my pussy constantly, and I'm pretty good at whipping up a quick orgasm. Lately, I've taken to diddling myself in public. Sometimes I'll slip into a rest room and finger myself in the stall or spend a little extra time in the changing room massaging my clit. I know that if I heard about a guy jerking off in public, I'd think he was a fucking pervert. Am I developing some kind of freaky kink? —M. W.

Buena Park, California

Pussy play at work, with five stalls surrounding you, is excessively risky. The car is another place where the threat of danger should outweigh the rush of the forbidden. Jilling off in unsecured areas sounds thrilling, but you should also keep in mind the potential embarrassment, not to mention legal trouble, that you'll find yourself in if you're busted. Lastly, in this day of hidden cameras, you'd be smart to watch where you whack. That said, if you're not feeling regret and shame afterward, occasional public masturbation, combined with proper vigilance, is probably all right.

Micro-Nuts

What's the deal with some of these male porn stars? They look like they barely have testicles, especially the ones with the huge schlongs. I was under the impression that balls are supposed to hang down, but these dudes only have little mounds. Is their absence of hanging nut sacs connected to their huge size? —T. T.

Evans, Colorado

Over my many years of hard-earned experience with male equipment, I've noticed that during periods of peak excitement, some nut sacs shrink. On occasion, male stars with dangling balls have to reach down and pull aside their sacs so that the camera can capture the action. Either the filmmakers are shooting around the balls, or the dudes you're seeing are having such a damn good time that their nuts never loosen up.

Wives Gone Icy

My buddies and I have a problem. Our wives started one of those retarded Oprah book clubs. At first we didn't mind the idea; it gave the guys a chance to hit the sports bar while the womenfolk did their thing. But ever since they started their little reading circle, we've experienced a decline in bedroom action. What's going on and what can we boys do about it? —B. M.

Effingham, Illinois

I doubt that your wives have formed a man-hating cabal. Women like to hang out and shoot the shit as much as guys do; we just happen to prefer wine and cheese to pitchers and wings. If you're really concerned, use boys' night out to compare notes and polish your game so you can reassert your grips on your wives' coozes.

Daydreaming Dick

My husband has a stupid fixation with becoming a male porn star. I keep telling him that no matter how good he looks, or how long he can fuck, his chances of being paid to screw starlets such as yourself are pretty slim. He agrees, but he still wants to quit his steady job, pack up our stuff and give it a shot. What should I do? —L. S.

Annapolis, Maryland

Talk him out of it. I hate to burst your man's bubble, but quitting his day job isn't the wisest move. A novice stud, if he manages to break into the industry, has to start at the bottom and work *(continued on page 26)*

How The GINCH Stole Christmas!

By Dr. Spews

A HUSTLER Christmas Special

PARODY. NOT TO BE TAKEN SERIOUSLY. NOT TO BE CONFUSED WITH *HOW THE GRINCH STOLE CHRISTMAS.*

The Ginch hated Christmas
As much as a Jew.

But the Poots in Pootville liked
A Christmas to-do!

The Poot chefs would put up a wildebeest roast,
Poot office workers would raise up a toast,
Till Santa would come to the Poot office party
As drunk as a sailor and three times as farty.
Saint Nick would bring cock rings
and clit rings and lube
And give funny haircuts to every Poot pube.
Yes, all of the Poots liked their Christmas a lot,
BUT...
...down to the darkest depths
of her innermost sphincter...

The Ginch, she did NOT!

This Ginch had good tits,
and her coochie was small,
But Christmas Eve left her
with no one to ball.
With such treats in town
for Poot pussies and dicks,
No Poot would come bang her—
she lived in the sticks.
The Ginch thought and thought
with her dim Ginchy thinker,
Then cried, "May the Lord
fuck me hard up the winker
If I can't cock-up
Santa's visit this year!
The Poots will have 90%
less good cheer!
Their cherry massage oil
won't have no flavor!
They'll sting as if shaved by a
Lady Ginch Shaver!
Their Christmas will suck
like a lemon LifeSaver®!"

Don't ask me why, but the Ginch came to hatch
A secretive plan to fight back with her snatch.
She spread her legs atop the Pootville Prump Tower
Expecting that Santa would show up and plow her.
That was her plan, don't ask me how come;
Most Ginches are stupid, the rest just act dumb.

But Santa surpasses underestimation!
He showed at the first hint of Ginch fornication
And squealed out, "Hot puppies!
That ain't no damn Poot!"
The Ginch growled,
"Quit mincing like some faggy fruit!
I think that you'll find that
my gash is the ginchiest!
Try me! I'll make your
three inches the inchiest!"

The jolly man dicked
till his dicker was sore.
Saint Nick gave the Ginch
his three inches and more.

SAY...

Why would a Ginch
who hates Yule like a yid
Make Santa shudder and moan,
"Oh, you kid"?
She grinned, "If ONE guy
makes a Ginch act a whore,
With two or three OTHERS,
I'd whore even MORE!
The Poot office party
awaits us, fat man!"
She said to herself,
Here's part two of my plan.

Saint Nicholas went with the Ginch on his arm.
And said to the Poots, "Here's one straight from the farm!
Just look at her twice, and she's flat on her back!"
The Poots grabbed their gadgets and gizmos for squack.
Sweet Cindy Lou Poot wasn't quite 21. "Come on," Cindy Lou said, "let's all have Poot fun!
Let's doff all our panties and skirts and brassieres! I need a fresh dildo! And 24 beers!
I'm banging that Ginch in the front *and* the rear!"

And all of the Poot secretarial pool,
And all of the workmen,
with belts full of tools,
And all of the old men,
bespattered with drool,
And nannies and trannies
and prospector's mules,
And Poot gangs from across
the Poot railroad track,
They all had a turn at
the Ginch's green crack.

IN FACT...

All of Pootville
celebrated upon her!
They all clustered over
their Ginch guest of honor.
It sure must have hurt
the poor Ginch,
but they say
That both of her holes
grew three sizes that day.

Come midnight,
in Santa's red jacket
and cap,
The Ginch laughed,
"Guess what, Poots?
I GAVE YOU THE CLAP!"

Who could have foreseen
such a nasty surprise?
The Poots pissed and moaned
and had tears in their eyes.
And since then, at Yuletide,
no Poot's ever doin' it,
It took only one
Ginch infection to ruin it.

THE END

Dear Slut

If your neighbors were so concerned about you beating off to their love grunts, they'd stick socks in their mouths. Ditch the guilt and pump away.

(continued from page 18) his way up, and the pussy on the bottom can be pretty scary. Male porn stars don't make as much as the ladies either; so newcomers can expect hand-to-mouth living in low-rent North Hollywood apartments. One of the best ways for a dude to make it in XXX is to bring a hot girl with him and ride her coattails to stardom in couples scenes. If you don't want to be dragged into the business of fucking on film, tell your man to stay home, enjoy the fantasy and leave the work to the professionals.

Tired of Gags

I've watched several of your movies, and I've never seen anyone give head as well as you do. My wife sucks a pretty mean cock herself, but we were wondering how she could learn to deep-throat like you do. Is there a special technique that you use in order to take so much prick down your gullet? —K. O.
via Internet

First of all, proceed with caution. Don't try to be an overachiever; there is the possibility of injury if you force your dong down your wife's yap too abruptly. If she's tried and failed to swallow you in the standard, on-her-knees position, try 69 with her on top. Most pricks tend to curve upward, and this angle will probably make sword swallowing a little easier. The psyche-out that comes from gagging is another problem. Taking deep breaths, as if you're gasping for air, as you engulf dong, is crucial. Tell your wife to practice by putting her hand around her throat and inhaling. She should feel the necessary muscle widening. Take it easy, keep trying, and pretty soon she'll be opening up and making you say, *"Ah!"*

Slitting Image

I follow the porn industry pretty closely and watch lots of videos. Like most guys, I rent and buy tapes based on which girls are the stars. The weird thing is, most of the girls I really dig, such as Vivian Valentine, Heaven Leigh and Mirage, all bear striking resemblances to ex-girlfriends. Is it fucked up for me to always spank it to girls who remind me of lost loves? —C. B.
Ogden, Utah

Perhaps a particular type of girl turns you on. The look of these ladies is what attracts you to these starlets, not the ghosts of your past. Unless you want to drop tons of cash on therapy, I wouldn't dwell on the connections. If these girls float your boat, loosen up and stroke to your prick's content.

Peeping Jack

A young couple moved into my apartment building last month. I've never seen or met them, but I sure can hear them. They fuck like maniacs almost every night. The dude slaps her ass, and the chick screams, "Oh, my God!" so loudly that it echoes down the street. The sound of their sex turns me on so much that I can't help whacking off. I hardly ever use porn for masturbation anymore; I just wait up at night until they start screwing and join in. I'm beginning to feel like some sort of pervert. Am I screwed up for listening in and jerking off? —A. E.
Trumbull, Connecticut

If those two were so concerned about eavesdropping perverts beating off to their love grunts, they would probably fuck with socks in their mouths. I'm sure they get off knowing that people can hear them. Ditch the guilt, grab your rod and pump away. Enjoy yourself, and maybe you'll meet them while picking up the newspaper one morning. Who knows what might happen from there?

Martha elevates oral deviation to an art form. The nimble-tongued cooze pops a rubber in her mouth and swoops on cock. Her clit twinges as the rod crams her gullet and the cum drum unrolls down Mick's shaft.

Martha admires the sheathed blue-veiner and growls,

"Now fill it for me."

The spum junkie pounds her jizz-starved yap on her man's cock, and squeals gleefully as the bag swells with her gooey prize.

Martha gulps down sleaze like a thirsty hound.

The right slut can make safe sex seem dangerous.

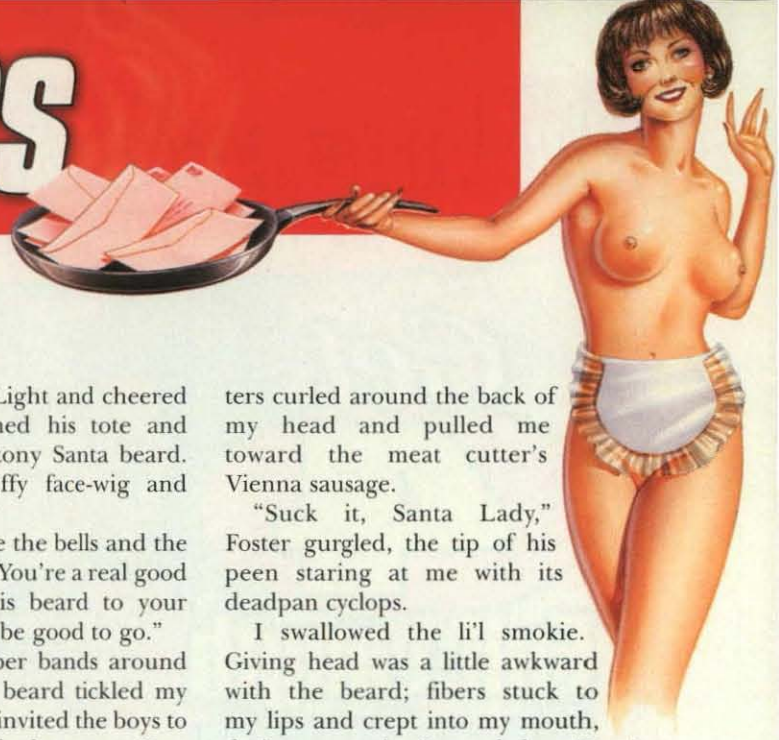
Hot Letters



Holly, Jolly Ho-Bag

No one ever gives me anything good for Christmas. If I'm lucky, one of my worthless boyfriends might present me with strawberry-scented bath gel, or perhaps a handheld blender. Between those pitiful trinkets and the cat-food coupons and Bible tracts from my senile grandma, there is no holiday delight to be found beneath my Christmas tree. Since I work at the 99¢ store for $6.50 an hour, I can't afford to buy lavish gifts for myself. This year, I decided I'd had enough of my cheap, lowlife boyfriends and their pathetic presents. If I was going to fuck them and receive such sorry loot in return, why not hump for cash, then buy everything my heart desires?

I took out an ad in the paper offering "intimate Christmas cheer at a reasonable price." Soon my phone was ringing off the hook. Beginning the first week of December, I had a new dick in my pussy and/or ass every night, and my wallet bulged with obscene amounts of dough.

My first customers were a pair of porky buddies named Foster and Troy. Foster is the butcher and Troy is the produce manager at the Plenty Market, and they're both fat. They used to gross me out when they leered at me while I shopped, but when Foster told me they'd pay $300 to stick their chubbies in my holes, I almost felt horny. I agreed to meet the doughy duo at the Pines Inn that evening—wearing, at Foster's insistence, a Santa's Helper cap and bells around my ankles.

Foster and Troy arrived at the Pines Inn at 8:30. Foster carried a tattered briefcase; Troy toted a case of Natural Light. I puffed a mentholated cigarette and smiled at the jolly trolls, parting my legs to display my festive, red undies. Both man-lumps issued guttural laughs and popped open a beer. Troy's black, oil-slicked comb-over fell over his pink forehead as he handed me a brew. He'd opened the can clumsily; foam bubbled over the rim and moistened my panties.

"Merry Christmas," Troy wheezed.

Christmas was three weeks away, but I raised my Natural Light and cheered anyway. Foster opened his tote and removed a long, cottony Santa beard. He fondled the fluffy face-wig and approached me.

"I'm glad you wore the bells and the hat," Foster panted. "You're a real good sport. Now strap this beard to your pretty face, and we'll be good to go."

I hooked the rubber bands around my ears. The musty beard tickled my nose. I chuckled and invited the boys to finger my beer-soaked pussy. Troy stuffed an eager paw in my nether folds, but Foster was more interested in the jolly whiskers on my face. The plump pervert stroked the downy fuzz while rubbing his swelling dong.

"Just like a little kitty cat," the portly doofus sighed, unzipping his trousers.

Troy snorted and buried his nose between my legs; his slimy tongue darted against my clit. Foster sported a sturdy but short erection. He grinned at me, proud of his stiff peter. His fingers looked like fat crawdads; the critters curled around the back of my head and pulled me toward the meat cutter's Vienna sausage.

"Suck it, Santa Lady," Foster gurgled, the tip of his peen staring at me with its deadpan cyclops.

I swallowed the li'l smokie. Giving head was a little awkward with the beard; fibers stuck to my lips and crept into my mouth, drying my spit. Down below, Troy's lips formed a vacuum seal around my cooter; the hungry produce manager nursed at my clam like it was a teat, swallowing the juice with audible gulps. Foster pumped his pee-pee rhythmically in my maw and removed his heavy, flannel shirt. The chubster's belly, thinly veiled beneath a translucent, wife-beater undershirt, jiggled in time with his fevered love thrusts. He clutched the Santa beard and released, clutched and released. The elastic popped my face *(continued on page 47)*

Starring Mirage, Barett Moore, Heather Lynn, Nikita Denise, Alec Metro, Backey J, Damien Michaels, Dave Hardman, Rod Fontana and Don Michaels.
Videocassette: J.M. Productions.

Guttermouths #17 puts a quartet of trash-talking sluts through their raunchy paces. Nikita Denise plays a peep-show stripper, flaunting her stuff from behind jizz-smeared glass. Mirage, looking as leggy and slutty as ever, tackles two pricks as they pass the time before attending a Ted Nugent concert. Barett Moore, the best of the potty-mouthed bunch, portrays the owner of a construction company who berates two of her workers for spending too much time ogling passing women. "Get over here and lick me where I shit," the blond bitch demands. "Yes, ma'am," the laborer blurts, shuffling to Moore's desk. The hard hat snakes his tongue into her shit rings, smearing her ass with blue-collar slobber. Both grunts learn the value of a hard day's work as they pump each of Barett's holes, then jizz on her panting face. On a technical note, the whole flick has a scummy, yellow overtone. The girls' poorly lit skin shines with sweat, body grease and cunt juice, and that's a good thing. *Guttermouths #17* reeks like a filthy gonzo video should. ***—Nicholas Veridian***

Here's one way to shut up a foul-mouthed tramp.

Our dream Christmas: Two girls, one dick.

All We Want For XXX-Mas

An Open Wish List to the Porn Industry

The holidays are here; after a whole year of giving our opinions, we figure it's our turn at *Erotic Entertainment* to do some receiving. Here's a short list of what we'd like smut purveyors to leave for us under the Yuletide tree.

O come, all ye faithful: Jewel Valmont—er, um, Ava Vincent—sings.

A Higher Girl-to-Boy Ratio:
There's an awful lot of boners in contemporary, supposedly hetero, fuck flicks. As a gift to us, how about stuffing our stockings with two pussies for every prick? Take a tip from the Beach Boys' "Surf City"; Brian Wilson might be as cracked as the Liberty Bell, but he understands the proper composition of a threeway.

Copyright Infringement in Porn:
2000 was the year of the mp3. Since college kids are copying CDs with impunity, we'd like to encourage pornmakers to snag decent music for their scores. Screw the law; we want to hear the Deftones, Bjork and Jurassic 5 on the next volume of *Action Sports Sex*. The current Casiotone soundtracks are weaker than the threadbare, hackneyed plots they accompany.

A Moratorium on Bukkake:
There's no arguing that facials are great, but the massive slush storms that soak these poor women are more stomach-churning than appealing. How about a compromise, Santa? Find a single guy who can blow a tengallon load.

Starlet Name Standards:
First, tell girls to pick a name and stick with it. This year alone, we've seen Jewel Valmont morph into Ava Vincent and Tara Patrick vacillate between Brook Thomas and Sadie Jordan. Just because the exceedingly effeminate, helium-voiced purple pud formerly known as Prince does a pretty good imitation of a porn bitch doesn't mean that XXX vixens should emulate him in turn by engaging in their own stage-name shell games. Secondly, have some consistency with said name. Before you ship the videos, grab the cast list and spell-check it twice.

XXX Cartoons:
Instead of running the same old phone-sex ads at the beginning of every tape, hire the animator from *Ren & Stimpy* or some of those Japanese anime guys to create whacked-out, raunchy shorts for the intros. Relegate those tired commercials to the end of the video where they belong.

More Natural Sweethearts:
The whole stripper-chick vibe has become more than tiresome. All-natural chicks who retain their BARELY LEGAL innocence while still fucking up a storm never fail to excite the HUSTLER staff. A visit from a gang of angelic carolers that includes Ava Vincent, Temptress or Gwen Summers would make this the best Christmas ever.

Ambition: *Gwen doesn't mind pulling a few strings.*

Meridian Makes a Movie: *Von finds his motivation in Jesika's tits.*

Chasing Stacy: *Green and bare it: Valentine displays elusive snatch.*

Moonlight Canyon: *Sophie tests the new wasabi-flavored lube.*

Meridian Makes a Movie

Directed by Richard Mailer.
Starring Meridian, Mona, Lola, Sharon, Megi, Kate Sweet, Kety, Lisa, Angel, Kamil Klein, Ellen, Jesika, Fredy, George, Pavel Sahaj, Pitr Rain, Mr. Stanley, Jakub, Von, Ralph, Brand Noe and Robert Rosenberg.
Videocassette: Wicked Pictures.

The no-nonsense title *Meridian Makes a Movie* belies the epic scope of this international fuckathon. Meridian is Wicked's latest Euroslut score. Looking a little like Reese Witherspoon, she displays flawless, natural dairy pillows and a mammoth appetite for cum-cranks in this movie-within-a-movie about the making of a porn flick. Shot at an elegant European chateau, the action alternates between scenes of actors dressed up as 18th-century aristocrats fucking like bunnies on antique furniture and shots of actors fucking like bunnies in dressing rooms. Unfortunately, there's a lot of footage featuring those same fuckers yapping away in their foreign monkey-talk. It's unlikely the viewer will miss any vital plot points, since all one needs to know is that another serving of Euro-style anal stroking and double penetrations is always just around the corner. Meridian proves to be a major discovery in *Meridian Makes a Movie*; strokers can anticipate much more from this tasty treat.

—Clive Thurstwood

Moonlight Canyon

Directed by Jerome Tanner.
Starring Sophie Evans, Tara, Gwen Summers, Mikio Lee, Shelby Myne, Tony Ribas, Michael J. Cox, Randy Spears, Lee Stone and Buddy Cox.
Videocassette: Legend Video.

The delicate art of eating pussy shines in *Moonlight Canyon*. Never mind the flick's silly story about a writing student (Shelby Myne) who sends fake love letters to every couple in town. In a time when most fuck flicks seem to skip straight to the anal routing, this production stands out by featuring extended rug-munching sequences. Michael J. Cox weasels his way out of a sticky situation by going down on ticked-off girlfriend Gwen Summers. Summers coos and squeals as Cox corkscrews a pair of fingers into her sloppy hole and slurps loudly at her pink. Every dude in this flick spends his share of time feeding at the cooze trough, much to every pussy lover's benefit. Another refreshing variation is the video's well-placed jizz shots. Myne has her ass crack spackled shut with a copious helping of whaz, while the gorgeous and energetic Mikio Lee catches a ball blast in the back of her throat, then drools the splooge out for the world to see. By venturing into Fishy Valley, *Moonlight Canyon* offers a cunning change of pace. ***—N. V.***

Ambition

Directed by Michael Zen.
Starring Gwen Summers, Lola, Sydnee Steele, Wendi Knight, Tara, Diana Devoe, Tice Bune, Chris Cannon and Joel Lawrence.
Videocassette: Metro Inc.

Ambition is a slick fuck flick bogged down by a clunky story. Gwen Summers stars as a chick trying to get ahead in the dyke-eat-dyke business world, but Joel Lawrence, her dickhead office manager, stands in the way. With the help of pussy-munching blondes Wendi Knight and Tara, Gwen loosens up and frees her inner bitch, thus sparking her climb up the cum-stained corporate ladder. Like the main character, this overwrought video underutilizes its strongest assets, namely Gwen and Lola. Gwen spends the majority of her screen time furrowing her brow and mincing around office sets. It isn't until midway through the story that she engages in a lesbo threeway. Lola's role is even more befuddling; she spends the entire video in male drag. It's only during the last scene, when Gwen and Lola take on Tice Bune, that *Ambition* lives up to its ball-draining potential. Gwen sits on Bune's face while Lola bounces on his rod like a caffeine addict with attention-deficit disorder. Despite a stirring finish, *Ambition* lacks the drive to grab the brass cock ring.

—N. V.

Chasing Stacy

Directed by Wit Maverick.
Starring Stacy Valentine, Jeanna Fine, Holly Hummer, John Decker, Jamie Gillis, Peter North and Nick East.
DVD: VCA Interactive.

Chasing Stacy gives fans a chance to digitally pick up, date and screw a bonafide porn star. The camera follows Stacy Valentine from home to work, to the gym and to a coffee shop. Along the way, opportunities arise to ask Valentine out on a date. If she says yes, the blonde accompanies the viewer to dinner, where she talks about herself, flirts and eventually asks for sex. Like most interactive discs, *Chasing Stacy* fails in the fucking execution. The "Fantasex" menu, which allows the viewer to choose between different copulatory positions, is clumsy. The supposed first-person angles are pretty weak as well. Most gonzo directors know that tight shots of dripping pussies and bird's-eye views of blowjobs are the most effective way to pull the wanker into a scene. Here, the camera lingers too far from the fucking. The annoying inclusion of a half-limp surrogate dick doesn't help matters much either. Still, hard-core Valentine fans will appreciate this disc, and any spanker will find it hard to resist her charms. *Chasing Stacy* is the best entry yet in the still Half Erect field of virtual porn. ***—N. V.***

Tight-Ass Lowrider: *Obsession, Charlie and dipstick.*

Dirty Little Secrets: *"Don't worry; this is just between you, me and a million mooks."*

Tight-Ass Lowrider

Directed by Julian St. Jox.
Starring Crystal Knight, Charlie, Lola, Obsession, Eve, Tye, Tina Tyler, Porscha, Julian St. Jox, Mark Anthony, Mr. Marcus and Tony Eveready.
Videocassette: Exquisite Pleasures.

According to the credits, the screenplay for *Tight-Ass Lowrider* is based on Julian St. Jox's novel of the same name. Odds are the tome is no *War and Peace*, but the rainbow coalition of ravishing slits featured in this video would do any literary adaptation proud. Mouth-watering cock-socket Crystal Knight is the star of the proceedings, happily taking beef injections from the likes of Mr. Marcus and lapping at a tasty array of snatch with utter abandon. When Knight's not on screen, the heat drops noticeably, but the contributions of Latina honey Charlie and super-sloppy sperm-burper Obsession take up some of the slack. Perhaps the burden of writing, directing and starring proved something of a strain on Jox, seeing as his fucking lacks the ferocity that the cooze on display merits. Nevertheless, with *Tight-Ass Lowrider*, Jox acquits himself respectably as a smut-industry triple threat. ***—C. T.***

Dirty Little Secrets

Directed by Zakk Wylde.
Starring April, Kaylynn, Chloe, Lita Chase, Daisy Chain, Kyle Stone and Mark Davis.
Videocassette: Elegant Angel.

An effective take on the bored-housewife syndrome, *Dirty Little Secrets* sticks Lita Chase in a sexually unfulfilling relationship with Mark Davis. Lita loses herself in a book of erotic stories, which jump to graphic life for the viewer's gratification. Daisy Chain and Kaylynn enjoy a dildo-pumping sapphic romp in a paint-spattered art studio. Later, steamy treat Chloe subjects Kyle Stone to a strict session of domination. Stone is forced to thoroughly rim Chloe's asshole before the submissive is allowed to slide his aching prong into her silky fun hatch. Home alone, Lita pleasures her hole with her trusty vacuum before giving herself a slut makeover that transforms her from garden-variety hausfrau to expert cum-catcher. Her hubby immediately takes to her new persona and slams her twat raw. Short on talk and long on sex, *Dirty Little Secrets* is worth keeping. ***—C. T.***

The Goddaughter #5

Directed by Bud Lee.
Starring Asia Carrera, Sonja Redd, Kim Chambers, Amber Sexxum, Adajja, Caroline Pierce, Mia Smiles, Heidi Ho, Zarina, Joelean, John Decker and Bill Margold.
Videocassette: Arrow Productions.

As torpid as the lame third installment of *The Godfather* series, *The Goddaughter #5* features Asia Carrera as a girl set to marry Vito, the morbidly obese son of the "Godfather of Las Vegas." Brokering a deal to run her own casino with *il capo di tutti capi*, Asia discovers that she must use sex to turn business around in the floundering den of sin. Aside from one great on-location orgy, shot on the floor of a casino, the Las Vegas scenery that the box cover trumpets is restricted to hotel-room interiors and construction sites. Although the slit-happy shenanigans of Asia, Kim Chambers and newcomer Joelean would be enough for a stroke tape, this video lasts far too long. After prolonged exposure to *The Goddaughter #5*, viewers will find themselves sporting the same blank stares displayed by the crusty slot jockeys who appear as extras in the central orgy. ***—C. T.***

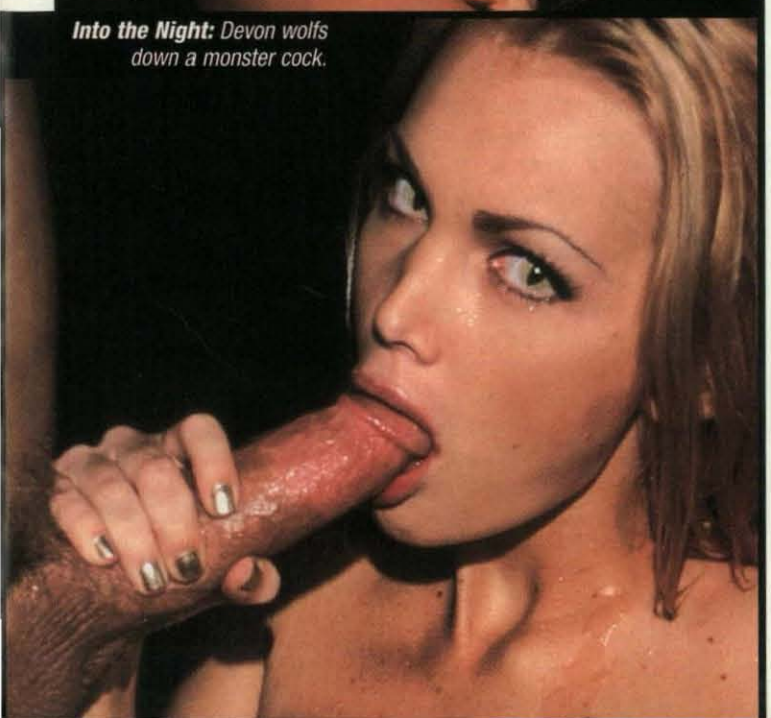
Into the Night

Directed by David Stanley.
Starring Devon, Rene LaRue, Inari Vachs, Chenin Blanc, Cheyne Collins, Eric Everhard, Vince Vouyer and Ian Daniels.
Videocassette: Vivid Video.

Into the Night is a harmless, vapid tribute to Stanley Kubrick's *The Shining*. This convenient package of stroke fodder features button-nosed Devon as a choad-hungry ghost haunting the home of newly-weds Vince Vouyer and Inari Vachs. No one gags on goobers quite like Inari, and her early scene of fleshy violations is rod-stiffeningly intense. Sadly, after only one reaming session, Inari's character becomes pregnant and spends the rest of the flick with a pillow tied to her belly, leaving the twat antics to Devon. When boned, the petite blonde with the startlingly inflated chest sacks emits high-pitched passion squeals that even dogs have trouble hearing, but she knows her way around a veiny shaft. Balling with the delightful enthusiasm of a bouncing cheerleader, the visage of Devon will haunt the chubbers of all who venture *Into the Night*. ***—C. T.***

The Goddaughter #5: *Adajja's always busting balls.*

Into the Night: *Devon wolfs down a monster cock.*



Night of the Stars

Porn Recognizes and Celebrates Its Brightest

The 13th Annual Night of the Stars, a celebration of service and achievement in the porn industry, was held July 29 at the Peterson Automotive Museum in Los Angeles, California.

Gloria Leonard, legendary porn star and founder of the Free Speech Coalition, hosted the gala. Hundreds of XXX starlets, directors and producers offered convincing portrayals of respectable citizens, mingling in sartorial finery and discussing upcoming double penetrations while awaiting the awards ceremony.

Sean Michaels was granted the Positive Image Award for his upstanding involvement in the sex industry, while Lifetime Achievement nods were granted to veteran actors Jon Martin and Shanna McCullough. HUSTLER Boss Man Larry Flynt was on hand to present Dr. James Elias with the Hal Freeman "Freedom Isn't Free" Award. As the director of the Center for Sex Research at California State University Northridge, renowned sociology professor Elias has continually supported the pornography industry and cochaired 1998's World Pornography Conference. Flynt illustrated the importance of the award by highlighting the sacrifices many make to produce smut and protect unpopular speech. "We've been jailed; we've been shot and ridiculed for our devotion to free expression," Flynt said, thanking Elias and his studies for negating widely trumpeted, ill-researched reports of pornography's supposed negative effects.

While the cocktail party rolled and honors were distributed, many thus far restrained vixens couldn't resist the siren call of the photo-op. Sneaking into the exhibit area, which houses an array of vehicles once featured in TV and film, the sly exhibitionists climbed into the historic wheels, such as the Batmobile and one of the police bikes from *CHiPs*, and exercised their rights by stripping down and acting nasty.

Hot Bods and Tailpipe #14: *Mark Davis, one well-placed finger away from being airtight.*

The Collector: *One instance where opening the box increases the value.*

Tara Patrick a.k.a. Filthy Whore: *Tara's more like a high-priced hooker.*

Hot Bods and Tailpipe #14

Directed by Stoney Curtis.
Starring Sheila, Nikki, Silvia Saint, Misty, Chocolate, Alexxxis Tyler, Gina Ryder, Ryan Conner, Ashley Sage, Inari Vachs, Candy Hill, Mark Davis, Chris Cannon, Mickey G., Stoney Curtis and Sledge Hammer.
Videocassette: Celestial Productions.

The mixing of gears and gash initially seems like a good idea. Dudes love fast cars and wet pussy. Midway through *Hot Bods and Tailpipe #14*, it becomes evident that porn chicks have a harder time feigning interest in muscle cars than they do in anal sex and facials. After all, XXX sluts have a Pavlovian, paycheck-dictated drive to suck cock or take a rectal beating from a 13-inch prong. Pretending to be interested in some schlub's custom-built hot rod is another story altogether. "This is pretty," Ryan Conner purrs, complimenting a slant-nosed Porsche as if it were a frilly duvet. Inari Vachs's proclamation, "It's a really nice car; I love old cars," sounds wooden compared to her enthusiastic moaning when a greasy gearhead skewers her cooze. Silvia Saint steals the show by ignoring the wheels and doing what she does best: welcoming boners into every possible hole. Instead of mixing two of men's greatest loves, *Hot Bods and Tailpipe #14* only succeeds in highlighting how little most sluts are interested in anything masculine. ***—N. V.***

The Collector

Directed by Nicholas Steele.
Starring Keri Windsor, Chelsea Blue, Monique DeMoan, Kaylynn, Bianca Jordan, Amanda Rains, Daniella Rush, Dale D'Bone, Evan Stone, Mark Davis and Randy Spears.
Videocassette: Ultimate Pictures/Adam & Eve Productions.

In *The Collector*, Dale D'Bone plays Dallas, the one man in the running for the title "world's most elite collector" who doesn't care if he wins. Apparently, Dallas had a painful previous relationship that made him decide he would never let a woman own him. Dallas copes with his past by fucking Euro-cooze such as Daniella Rush, who he boffs on the hood of his vintage car before glazing her tongue with protein. The rest of this prime example of boutique porn features other collectors such as Mark Davis, who apparently acquires women who love to lick anus. Heavy on slow-motion glamour fucks, *The Collector* boasts an outstanding array of eager gash, including Monique DeMoan, Keri Windsor and Chelsea Blue. As good as the sundry slashes may look, the pretentious style of *The Collector* reduces the carnality to window dressing. ***—C. T.***

Tara Patrick a.k.a. Filthy Whore

Directed by Kid Tee.
Starring Tara Patrick, Randy Spears, Anthony Crane, Eric Everhard, Mickey G. and Nacho Vidal.
Videocassette: X-Traordinary Pictures.

Tara Patrick a.k.a. Filthy Whore pays tribute to a gorgeous fuck-slut, but fails to live up to its title. This compilation of five tame scenes is hardly filthy. Tara Patrick, while an exquisite specimen, isn't exactly the raunchiest girl in the business. She tends to lie back while her mate pounds, sucks and drools over her perfect physique. A selection of scenes in which Tara was more carnally proactive would have easily stirred bones. Instead, the viewer is served shots of Tara reclined, her eyes blissfully shut as a hardworking dude pounds away at her delectable but aloof snatch. A lingering impression that the raven-tressed gash is dreaming of money while being fucked provides the only hint of truth in this video's title. Since Tara's collecting a paycheck to boff each of these workmanly swordsmen, she can arguably be labeled a whore. Still, only once does Tara catch a sloppy dose of whaz on the face and even come close to earning the hyperbolic moniker *Tara Patrick a.k.a. Filthy Whore*. ***—N. V.***

I panted as my shithole and squishy stretched to swallow their weens. The dinky duo slammed my pleasure ports with frenetic fury.

(continued from page 37) each time it snapped back, stinging my cheeks.

"I think I'll stick my wiener in her, Foster!" Troy bellowed, his face rising from the depths of my snapper. "Tell the whore to turn over so I can fuck her like a doggy. You'll keep sucking his dick, won't you, missy?"

I nodded with Foster's piglet still rolling around in my mouth. Foster grabbed my tit and yanked it in a clumsy attempt to flip me over.

"Just a second," I said, spitting the ruffian's frank out long enough to rearrange myself.

I settled onto my hands and knees, swaying my ass to and fro. This gesture greatly delighted Troy; he giggled like a little girl while prodding my fig with his stick. Foster scurried onto the bed and plugged my mouth with his peter, gripping the beloved beard and sighing like a contented child. Troy's crotch troll massaged my slot with surprising skill; I moaned and cooed. These utterances loosened my mouth's grip on Foster, much to his irritation.

"You're letting it slide," Foster whined, bopping my nose with his dong like a rolled-up newspaper. "If your lips are gonna keep flopping around like that, I ought to stick my peener in your asshole, where it'll stay put."

I flipped my head back and goaded Foster to boink my bung. The flustered butcher crawled onto my back, enjoying a brief pony ride before balancing himself between Troy and my ass.

"Scoot back a little, fatty!" Foster barked at Troy.

I peeked over my shoulder and snickered as the portly puds struggled to squeeze into my orifices. Despite their mass, the pals managed to plug me simultaneously.

"It's a Christmas miracle!" I bellowed.

The bed quaked under the booty-loving buddies' formidable weight and motion. I panted as my shithole and squishy stretched to swallow their respective weens. The dinky duo slammed my pleasure ports with frenetic fury. A sudden pause paralyzed the room, followed by an explosion of nut curd. Hot ribbons of gunk splattered my backside. The boys howled and sputtered. I threw my head back and issued a series of "Ho, ho, ho"s as orgasmic spasms bounced through my innards like ping-pong balls.

Foster and Troy paid me my $300 and left. I relaxed with a smoke and pondered what fine wares I might purchase with the cash. The next day, I bought myself a beautiful, white, faux tree, beneath which all the goodies I earn with my gash will be spread. I've since earned $1,500 more, and the phone keeps ringing. You should see my Christmas tree. It's brimming with riches, and so is my cunt. —L. A.

Hagerstown, Maryland

Lick-A-Maid

I can't be a lesbian. I'm married to a good man, and I earnestly service his thick, manly prick, devouring his shaft without shame or complaint. Then my dear spouse blows a viscous wad of gunk down my throat, and I gag. *Fuck*. My life is a lie. Dick does not equal pussy; it's not even equal *to* pussy. Pussy is beautiful. I want to eat it.

Even while humming on choad, I can think of nothing but lapping poon. I wait until my husband is asleep, then sneak into the bathroom. I lick my own tit, pretending the mam belongs to the anchorwoman on Channel 7 Action News. I rub my clam, envisioning a wet, pink snatch hovering over my face. Once I come, I sniff my cunt-soaked fingers and masturbate again and again, until my brain nearly hemorrhages. This ritual is repeated nightly; otherwise, I can't sleep.

I spent years torturing myself this way—desperately craving cooze, yet never tasting it. I wandered through life like a zombie, denying myself the sensation of another woman's tongue in my slot. I was taught that lesbians are an abomination in the eyes of the Lord. Until recently, I've swallowed such nonsense as truth. Everything is different now; I've finally tasted female. I licked our housekeeper, Phoebe, and I think I'm a real dyke after all. That golden-skinned, raven-tressed maid ignited my snatch the moment she started working for us nine months ago. Today, I know what her squishy tastes like, and it's even better than I imagined.

Phoebe was vacuuming when I finally took the plunge. I was lounging on the couch, admiring her ass as she pushed the vacuum across the carpet; her bubbly buttocks danced in slow, circular motions. My twat was wet, and my hands shook. I knew that I was going to ravish the housekeeper no matter what. I crept behind Phoebe and cupped her heavy breasts. Startled, she (continued on page 147)

Hot-Blooded Old Folks Hump to the Very End

by Janice Lowry Illustration by Brian Ewing

Friday afternoons are reserved for shuffleboard at the Bayside Convalescent Hospital in Daytona Beach, Florida. Isabel, a white-haired septuagenarian with a perky physique, fumbles with the cue stick and nudges a disk off the side of the polished wood court.

"You need to push with one fluid motion," says Bart, a fit and trim 78-year-old wearing kelly-green trousers. Bart wraps his arms around Isabel and coaches her from behind; she can feel his half-hard dingaling pressed against her gingham skirt. Isabel smiles over her shoulder and winks. "If you'll excuse me," she says, "I need a glass of water."

A few minutes later, Bart meets Isabel in an aluminum equipment shed adjacent to the senior center's outdoor tennis courts. "I want you," Bart says, reaching around to give Isabel's gravity-stricken ass a pat. The great-grandmother pulls up her dress, lies back on a ping-pong table and applies lubricant to her arid, postmenopausal snatch.

Bart slips his floppy dick into Isabel's moistened slot; as his hard-on slowly takes form, he bucks excitedly until he is wheezing for air. After a few rounds of humping, set off by rest breaks, Bart dribbles a droplet of cum in Isabel's snow-white pubic hair.

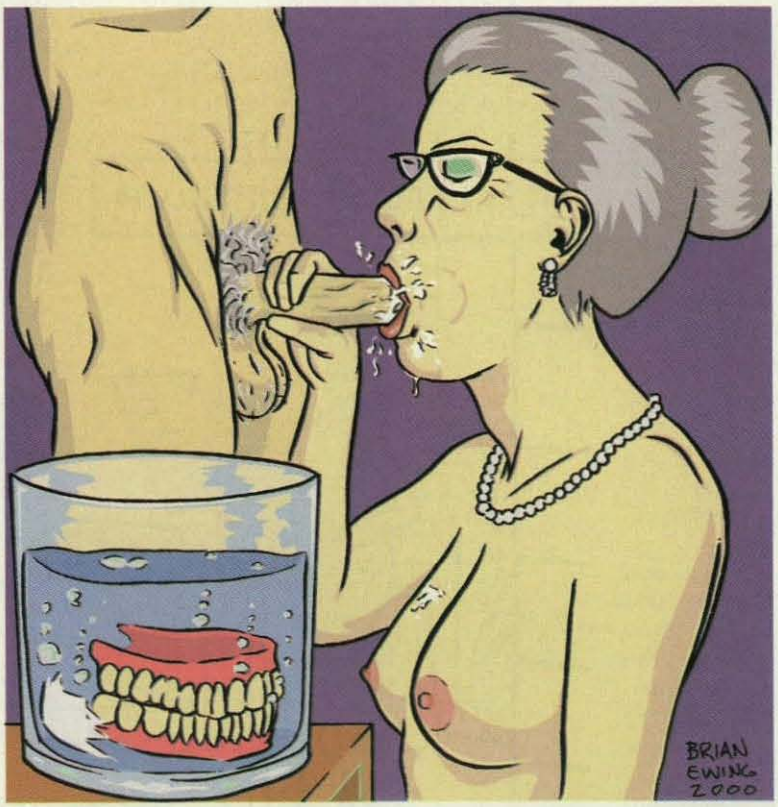
Old folks may be saddled with sagging breasts, crabby dispositions and a diet of stewed prunes, but advanced age doesn't stop Grandma and Grandpa's desire to make whoopee, in spite of what their grandchildren might want to believe.

"The sexuality of older people tends to be ignored, even though it's conventional medical wisdom that all people are sexual, whether they're old or not," says David Cohen, 27, a registered nurse in the geriatric ward of a New York City hospital. "We are supposed to ask all of our patients questions about their sex practices during their admission interview, but I have to admit that I usually skip these questions. Maybe it's out of some misguided feelings of respect."



More than half of seniors say they have intercourse at least once a month, according to a study sponsored by the National Council on the Aging (NCA).

"We're living proof that seniors enjoy sex as much as anyone," says Joe Wilson, an 82-year-old Scottsdale, Arizona, resident who says he and his wife, Elaine, have been knocking boots on a regular basis for the past 65 years. "We do it doggy-style."

Joe attributes his well-preserved virility to an active lifestyle—he golfs, and he played tennis well into his 70s—and to a naturally horny disposition. "I'm Bohemian; I like leather," Wilson says. "Call me a dirty old man."

Elena, who works at an old-age home in Los Angeles, California, knows all too well the potency of the geriatric sex drive. Elena remembers Anne, an 82-year-old woman who supplemented her $35-a-month Social Security check with "a lot of money" for sexual services rendered.

"We asked our psychiatrists to see Anne, but she just told them, 'I'm still young, and I want to have sex,'" Elena says. "Finally, we called the Health Department, who deemed it inappropriate for her to be having sex with all the old men in the facility because of the risk of spreading infection."

In the end, after being provided with an ample supply of condoms and information about sexually transmitted diseases (STDs), Anne and her adjustable bed continued to see plenty of action.

The risk of STD transmission among the aged is very real. Postmenopausal women may see no reason to use condoms, and 80-year-olds who came of sexual age well before the advent of AIDS may not be up to speed on the contemporary dangers of casual sex. As a result, there has been a steep rise in the rate of HIV transmission among those age 60 and older in

recent years. R. H. Keller, medical director at Biodoron, a Hollywood, Florida, clinic that serves the elderly, likens the growing AIDS rate among seniors to a "forest fire."

Some senior citizens can only look on with envy at geriatric fuckers who risk their lives for some time in the saddle. The aging process involves some unavoidable physiological changes, and hard-ons are often tough to come by.

"As I get older, I can't get the fast, hard erections any time I want," confides William Walters, a 65-year-old dentist in Atlanta, Georgia. "I'm as horny as I was when I was 25, but I can't respond, and it's discouraging."

"Sex is not the same when you're old," says David Cohen, who explains that a decrease in blood circulation is responsible for the diminished performance of withered genitals. Cohen also notes that an old duffer might experience retrograde ejaculation, in which semen reverses direction and flows into the bladder (no big deal, medically, but disconcerting all the same). As women age, they often experience problems with lubrication—easily remedied with a bottle of lube—along with difficulty reaching orgasm.

Boners are made easy by the widespread availability of Viagra, but Pfizer's wonder drug doesn't help elderly gents who have trouble reaching orgasm, which is a common complaint among silver-haired fuckers.

"I hate taking that stuff," says Manny, a 68-year-old retired Manhattan attorney. "My girlfriend is happy because I can have intercourse with her, but I don't like Viagra because I never feel like I can come. I just have this raging hard-on that never gets a release."

Emilio Flores, a 75-year-old retiree in Washington, D.C., also finds that with age, it takes him longer to ejaculate, but he doesn't mind waiting. "Orgasms seem to be better than they were when I was younger," Flores says. "I believe this is because I can build them up for a longer time."

Diminishing sexual returns make some codgers bitter, but others go forth with enthusiasm into the changes that accompany the riper years. When Joani Blank turned 60, the founder of the San Francisco-based sex store Good Vibrations wondered what other people in her new age bracket were doing for sexual gratification. Blank solicited elders to write about their experiences and published the results in *Still Doing It: Women & Men Over 60 Write About Their Sexuality*.

Blank discovered that geriatric fuckers don't allow wrinkles and age spots to prevent them from exploring the gamut of sexual possibilities. The elderly entrepreneur heard from oldsters who started fucking after a decades-long dry spell, grannies who experiment with elderly lesbian partners, and matriarchs and patriarchs who jump into the sack for some wizened group-sex action.

"If you expect your sex to be like it was when you were 35, well, it's probably going to change," Blank says. "But if people say, 'Let's think of all the other things we can do,' well, the sky is the limit."

Where there is a will, there isn't always a way, though, particularly for elderly women; it's not so easy for a golden girl to hook up with a hot-to-trot Methuselah. A sexuality study sponsored by *Modern Maturity* magazine found that for most older widows, the death of a husband effectively translates into the end of sex. The study found that at 75 and older, when 80% of women are widows, the percentage of women who had gone six months without making whoopee was virtually identical to the percentage of widows.

Norma, who at 74 could pass for 50, says that since her husband passed away, friends don't call or invite her out anymore. "Single women are really a threat to some people," Norma says. "I thought that at my age, that would change, but that's the way it is."

Every weekday afternoon, Norma visits the Hollywood Farmer's Market, an outdoor complex of shops and restaurants in Los Angeles that is frequented by senior citizens, with her heart set on meeting Mr. Right. Norma usually positions herself at a table and sips iced tea, taking care not to smudge her lipstick, as she makes eye contact with handsome men in their 60s and 70s who have the outward appearance of bachelor- (or widower-) hood.

"It preys on your mind, whether you are really going to meet somebody and have a companion and do what comes naturally," Norma says, her hair perfumed and coiffed. "Just having someone to be with you and be kind and gentle is really what it's all about.

"But sex is really a good idea," Norma adds. "It's the greatest thing in the world."

Rogue Vice Cops Extort Free Tricks From Busted Hookers

Undercover With A. J. Ferguson

Keisha, a petite, African-American hooker, has worked the streets for four years; so she recognizes a meal ticket when she sees one. A battered, white Camaro chugging up the stroll appears to be a likely trick, and sure enough, the car rolls to a stop at Keisha's feet. The Camaro's passenger-side window slides down. Keisha peers in at a short, white man with greasy, brown hair.

"Are you looking for a date?" the man asks. Keisha sizes up the john with a stare. "Hop in," he insists.

The cagey streetwalker steps into the car and points out a murky side street. ►

Cops 'n' Hos

"You're beautiful," the trick says, his eyes on Keisha's thighs.

"Are you a cop?" she asks.

"No, baby," the man laughs. "I'm a salesman. I was just saying that I think you look beautiful."

The john stops his car in front of a boarded-up building, kills the ignition and cuts the lights. "Now let's see what you've got up here," he says, reaching a hand up the girl's miniskirt and onto her pantiless snatch. Keisha reaches over to massage her new friend's bulging hard-on; this looks like as good a time as any to negotiate.

"Sixty for a blowjob," Keisha says.

"How about you don't get arrested for a blowjob?" the man responds. Keisha understands that she has walked into a trap. The "john" is an undercover vice cop; his Camaro is an unmarked police car. He lifts his shirt to reveal a badge clipped to his belt; Keisha also notices the butt of a .38 poking out of his waistband. The automatic door-locks on the Camaro click shut.

"Now suck my dick, bitch!"

Keisha knows she's caught. She blows the pig with expert efficiency, but he bucks wildly in her mouth, making her gag. When the hooker pulls her head back for air, a pair of tough hands clamp around her neck. The cop throat-fucks Keisha until he pumps her gut full of cum. The Camaro's engine roars to life, and the automatic door-locks click open. Keisha's tormentor mutters under his breath.

"Now get the fuck out of the car before I arrest you for committing an act of prostitution."

* * *

"If the police just arrested me and did their work professionally, I'd have a lot less of a problem with them," says Keisha, who left her hometown to work in a legal brothel in Nevada, where she is free to ply her trade without fear of landing in the cooler. "But they always come in with all this other bullshit."

"He wanted to insist on unsafe sex, and he held me down. I panicked and struck him pretty hard. He backhanded me, and then arrested me."

Vice cops are public servants entrusted with the task of ridding society of prostitution, which, for better or for worse, is against the law. However, many practitioners of the world's oldest profession complain that they are sexually used and abused at the hands of the same officers who are charged with stamping out the sex trade.

"Police abuse happens to all different kinds of sex workers on a regular basis, from minor harassment to violent abuse such as rape," claims Daisy Anarchy, who has worked by turns as a prostitute and exotic dancer for nearly 20 years. "Even if a woman is doing something illegal, that doesn't mean that the police can act illegally too."

Angie, a 29-year-old callgirl in Atlanta, says she was nearly raped by a police officer.

"He wanted to insist on unsafe sex, and he held me down," Angie says. "I said, 'Look, don't do this. If you are, please use a condom.' He still refused. At that point, I panicked and struck him pretty hard—he got a bloody nose. He backhanded me, and then arrested me. I'd never been to jail before in my life.

"Vice cops seem to think that sex comes with the job," Angie adds. "It's unethical, but it's not unusual."

Perhaps because the unofficial perks of enforcing prostitution laws sometimes include free sex, vice work is a highly sought-after detail. While Lieutenant Larry T. Jacobs of the Phoenix, Arizona, police department's vice-enforcement unit admits that officers clamor for placement in his branch of law enforcement, he believes the attraction lies in the potential to do exciting police work.

"It's an undercover detective assignment that gives officers an opportunity to do highly sophisticated types of investigative work in specialized areas," Jacobs says.

As much as Lieutenant Jacobs beams about the "invaluable training" one receives in the vice squad, he grudgingly admits that, in the cases of some of the men under his command, "highly sophisticated types of investigative work" have included sexing up street hos.

"We've had prostitutes that have indicated that they've provided favors to police officers—I'll be quite honest—some from our own department," Jacobs says. "I'm not going to go into the details, but I can tell you this: We have investigated them, and these people no longer work for us. We don't tolerate that behavior in our officers."

(continued from page 62) beating prostitutes. The officers were identified by victims through photo lineups, but to this day, the Newark Police internal-affairs department has yet to follow through on the allegations, and none of the 26 officers have been disciplined—which isn't surprising, given that no formal statements were ever taken from the women who stepped forward.

Sexual relations between cops and whores are by no means always rape scenarios, according to Rosebudd, a former pimp who was recently featured in the documentary *American Pimp*. In 25 years of firsthand experience on the streets, Rosebudd says he never saw an officer force himself on a prostitute.

"The cops are just like anybody else—they have a way of recognizing who's weak," Rosebudd says. "You see a cop right in the middle of the ho stroll with his car pulled over funny, and he's got this girl pinned up, and he looks like he's questioning her, but in reality, he's cracking jokes, and they're laughing and shit. Once that gets going, the cop gets a feeling of whether he can go further with that particular woman. He might put her in the car and tell her, 'Look, we're sweeping the streets tonight; so get in the car.' If she gets in the car, he knows she's a weak bitch, because a real ho would say 'Fuck you' and 'Let 'em come get me.' But this girl is thinking about how the dude saved her from getting swept. After a while, that ho starts liking this cop—he's an all right cop to her. She might get into sex for the favors, and once that happens, the cop is going to be in control of her from then on."

Twenty-six cops in New Jersey were accused of raping, robbing and beating prostitutes. None of the 26 officers have been disciplined.

* * *

For all of the prostitutes and sex workers who complain about police misconduct, few do so officially. As a result, most abuses of power by vice cops—constitutional, verbal, physical and sexual—go unreported and undisciplined.

"This is the Limbaugh residence—I always try to leave something special."

Edward Tabash, a civil and constitution vice lawyer in Los Angeles, estimates that about 30% of the streetwalkers he represents claim to have been abused by police officers.

"My clients have told me that vice cops have committed a sexual act, and then turned around and hypocritically arrested them," Tabash says. "I've had women who have claimed to have had forced sex with an arresting officer, who claim that vice officers extracted full sexual intercourse from them in exchange for not arresting them."

Not one of Tabash's clients has pressed charges against a vice officer, usually because they assume that their word against a police officer's in a court of law automatically amounts to "insufficient evidence," or worse, that a prostitute who complains about being sexually abused by a cop would be targeting herself for even worse police treatment in the future.

"People tend not to believe prostitutes," shrugs Tabash. "That is a problem, and there's really not much I can do."

Accusations of police misconduct that come from a whore's mouth don't carry much weight, and there's a reason why: Prostitutes are happy to lie when an untruth seems to be in their best interest.

"I get lied to every day," says James Hayes, an assistant district attorney in Phoenix who is in charge of reviewing citizen complaints. "A girl testified being able to recall a specific officer, when by her own testimony, [she's had] hundreds [of johns] subsequently, and she's trying to tell me she recalls exactly what she did with that customer—no reasonable person believes that."

"Yes, there are cases where people are downright less than truthful," adds the Phoenix Police Department's Larry Jacobs, who insists that in instances of conflict between officers and hookers, his department does not automatically take the officer's side. "If a prostitute makes an allegation against an officer's honorability or credibility that we would deem to be rather severe, we ask them to submit to polygraph, just as we would the officer."

In some instances, the evidence of lawlessness on the part of the law is so clear-cut that there is no need to take a whore's word for it. In recent years, vice officers in cities across the United States have proven themselves equal to or worse than the supposed menaces they are paid to eradicate.

installed hidden cameras in a brothel after madams complained of routine cash shakedowns by undercover officers. Several of the accused officers, including two sergeants, were disciplined for breaking police-department regulations, but the racketeers were extorting more than money from their suspects—the cops were found to have been demanding, and receiving, sexual payments as well.

•In May of 1998, a police officer in Newark, New Jersey, was indicted on charges of official misconduct when he was spotted by his patrol partner on the street, in uniform, receiving oral sex from a prostitute he had just busted with a john in the same location.

•In 1996, San Francisco police officer Frances Hogue was found guilty of raping a masseuse whom he suspected of prostitution. Hogue was convicted of two counts of forced oral copulation and one count of kidnapping.

•Last year, Justin Bowers, a nine-year veteran of the Glendale, Arizona, police department, was fired after Phoenix officers observed him leaving a motel room with a known prostitute. Bowers loudly decried the unfairness of his dismissal, since he had been off-duty when he was caught with his pants down, and other officers routinely engaged in *on-duty* relations with ladies of the night and received lesser punishments.

•In 1997, Officer Rolando Hernandez solicited a Queens prostitute. When the doxy mocked the rookie officer for failing to perform sexually, Hernandez shot her with his service revolver, allegedly claiming, "You'll never dis anyone like that again." During the trial, the drug-addled whore's credibility was questioned, but the jury concluded that even a crack addict can tell when she's been shot five times. A $75-million civil suit is currently pending against the city, the police department and Hernandez.

In the rare instances when hookers do seek justice, their stories are sometimes discounted as just another cost of doing business.

•In Newport, Washington, last May, an officer was arrested on suspicion of second-degree rape. The officer first denied any contact with his accuser, but later admitted to having paid her $20 for sex. The woman insists that she offered the officer $2 to drive her home, and that he coerced his way into her vagina under the threat of arrest.

* * *

The rash of police officers arrested for engaging in illegal conduct may be the tip of an iceberg of sexual improprieties that go unreported because prostitutes are afraid of exposing themselves to official channels. In the rare instances when hookers do seek justice, their stories are sometimes discounted as just another cost of doing business.

In 1986 in Fresno, California, a district attorney dropped 29 out of 32 forced-sex charges against a man who had raped six women because four of his victims were prostitutes. In 1986, a Pasadena, California, judge dismissed a rape charge because the victim was a prostitute, stating that it was not his job to uphold illicit contracts and that "a whore is a whore is a whore."

This past July, Coney Island Hospital in New York was cited for 23 health violations and fined $46,000 for possibly coming to the same conclusion about streetwalkers. The hospital failed to correctly administer a rape kit to a 31-year-old woman who was a known prostitute, compelling prosecutors to drop forced-sex charges against a sexual predator who was first convicted of rape in 1978. A hospital spokesperson characterized the resulting Department of Health investigation as an "extreme overreaction" and "overkill of enormous proportion."

"Somewhere along the line, someone figured, 'It's a prostitute; she's not going to press charges, and a prostitute can't be raped,'" says Priscilla Alexander, co-coordinator of the National Task Force on Prostitution. "It's a very common response."

* * *

A vice officer's duty is to seek out evidence of prostitution, and some undercover cops go to great lengths in order to get propositioned by a working girl.

"Basically, we would not go out and break the law, but there's a fine line sometimes," says Captain Salcido, with the Beverly Hills, California, police department.

"It is prohibited for officers to drink alcohol, except in the course of duty," Salcido offers as an *(continued on page 130)*

Behind the Stained-Glass Windows of the Seminary, AIDS Ravages the "Celibate" Catholic Priesthood

Report by Jesse Oppenheimer
Illustration by Vance Ypsilanti

As his disease progressed and his body wasted away, Father Tim, a Midwestern cleric, felt his priestly pedestal shatter. Tim knew he could not keep his secret much longer—he was a Catholic priest with AIDS.

"For a long time, I was wracked with guilt about having [the disease]; I felt it just wasn't something a priest should get," Tim says. In a clerical world where celibacy is mandated and homosexual behavior is deemed sinful, Father Tim became increasingly isolated. ►

Tainted Cloth

"At first, I didn't know what was going to happen, in terms of how the Church would accept me," says Tim, who agreed to speak with HUSTLER on the condition that his real name not be used. "I've known of many situations where the Church has been intolerant of priests who had AIDS. One priest I knew was ostracized by his order, subjected to very cruel remarks and notes—and he had to leave."

Father Tim is not alone; he says he has known 25 priests who have died of AIDS. Tim now participates in a confidential retreat and support group that also includes 15 other men of the cloth with the disease.

"They're worried about backlash from the church hierarchy; they're in personal turmoil over the stigma of the disease—what it says about their lifestyle," Tim explains. "They're still very apprehensive about disclosing their condition. Some are still reluctant to even seek treatment."

While exact figures are impossible to come by, hundreds of priests are believed to have died from AIDS and AIDS-related syndromes; uncounted others live with the virus in secrecy.

At the first bishops' conference on AIDS in the priesthood in 1988, infected priests were so terrified of being "outed" that they literally wore bags over their heads. Clerics still fear rejection by the Church if they talk openly about having AIDS. Most won't talk at all.

Since AIDS was isolated and described in the 1980s as a sexually transmitted disease that predominantly afflicts gay men, the Catholic Church's response to the crisis has been characterized by something less than Christ-like compassion. Priests who have contracted the disease have been banished to distant parishes or forced to resign. Denial and outright coverups abound; in one instance, the legs of an archbishop in Rome who died of AIDS were broken to make his death appear to have been the result of an accident.

The legs of an archbishop in Rome who died of AIDS were broken to make his death appear to have been the result of an accident.

The papacy's inflexible positions on sex and sexuality have effectively blocked all attempts to confront AIDS and its underlying issues on an institutional level. While some dioceses now require HIV testing for seminary applicants, pleas for practical disease-prevention methods on a wide scale continue to meet brick-wall resistance from the church hierarchy.

Reverend John Loftus, clinical director of Southdown, a Catholic clergy treatment center, raised a red flag over AIDS ten years ago in a booklet titled *Clergy and Religious Exposed to AIDS*.

"Some gay persons are so homophobic and afraid of being stigmatized that they are unable to acknowledge themselves as gay, even though they may be engaging in frankly homosexual behavior," writes Loftus.

Untold deaths and infections later, Loftus's call for preventive education still goes widely unheeded by the decision-makers at the highest levels of the pulpit.

"The bishops don't stand up and cheer for safe sex," says Father Jim Gill, a clinical psychiatrist who runs the Christian Institute for the Study of Human Sexuality. "It's hard for them to even allow that seminarians should ever be talked with about using precautions if they get involved in sexual behavior. The bishops traditionally tell them it's all or nothing—either you're celibate or you don't belong in the priesthood."

In the age of AIDS, the papacy's rigid opposition to "safe sex" in the form of birth-control devices such as condoms has proven deadly in combination with its strongly negative attitude toward homosexuality.

Internal conflicts in some gay priests run so deep that they develop a bizarre system of rationalizations and pretzel logic with regard to the possibility of HIV infection.

"They refuse to take any normal precautions whatsoever," says Reverend Loftus. "The denial system works overtime: 'I know AIDS is a problem in some places, but not with me. I'm moderately careful,' they say. 'Moderate' care often turns out to be only having sex with people who are blond—or some other equally inane and potentially deadly distortion. Can there be some of our brothers who really do think that somehow God will protect them? Do they think that vows are the vaccine against infection?"

Priests aren't just contracting AIDS; they're transmitting the illness as well. Father John Keenan of Trinity House, a

Chicago treatment center that provides support groups for priests with AIDS, says that one man he worked with infected eight other priests. Another clergyman is said to have passed the deadly virus to 20 others. Not all of those who have contracted the disease from within the Church are fellow clergymen.

An Ohio family suing the Catholic Church alleges that their son, 44-year-old Joey Busam, contracted AIDS after he was repeatedly raped by members of the Little Brothers of the Good Shepherd, a religious order. Busam, who was mentally retarded and had the mind of a six-year-old child, died in 1996.

When Thomas Perea was in the 9th grade, he was granted a court order to leave his abusive family; Reverend Delbert Blong agreed to be his guardian and, according to Perea, initiated a sexual relationship that lasted for 20 years and left Perea HIV-positive.

"He was having sex with a person with full-blown AIDS," Perea says of Blong. "He didn't have protection with them, and he still turned around and had sex with me, and said, 'I don't have sex with anybody else.' It was a question I would ask him over the years. His response was always, 'No. You're the only one.'

"There are priests out there who are infected and still having unprotected sex," adds Perea, whose lawsuit against Blong was settled out of court. "They've got to be infecting other people; yet the Church is doing nothing to find out who these people are and minister to them. They won't put things into order so that other people won't get infected [or] get abused. The Church just turns a blind eye."

"You go to any seminary, you feel like you're in a gay bar," says former Jesuit Robert Goss. "I learned all my skills on cruising in a Jesuit rec room."

Like Perea, those who have worked closely with AIDS cases in the priesthood are frustrated by the Church's continued resistance to address the problem.

"When you're dealing with a really sensitive issue, as far as what our belief system and rituals are, it's tough rowing," says Father Tom Crangle, a Capuchin friar who formed one of the earliest support and care groups for clergymen with AIDS in the late 1980s. Crangle's group grew to include 22 priests, all of whom were living in secrecy due to the intolerance on the part of their local dioceses. Crangle believes that furtiveness has only made matters worse.

"The more that we hide things, the harder we fall when it's discovered," Crangle says. "If there's AIDS in the clergy, let's claim it. If there's homosexuality, let's claim it. It doesn't make sense to hide it. But especially within the Church, people are going to hide."

The emerging realities of AIDS in the priesthood have cast light on a shadowy world that thrives just behind the stained-glass windows of the Church's cathedrals. While the all-male enclave of the Catholic ministry has always attracted its share of homosexuals, many believe that in the past few decades—as thousands of straight priests have left the Church so that they may be free to marry—gays have become a much more dominant force in the priesthood.

"It really became a phenomenon in the latter part of the 20th century that the seminaries were run by overt homosexuals," says Bruce Pasternack, an Albuquerque, New Mexico, attorney who specializes in clergy abuse cases. "They very much preferred having gay seminarians enroll. So the culture in seminaries—certainly around here—was very much a gay culture. And that resulted in a hugely disproportionate amount of homosexuals becoming priests."

A recent study conducted by A. W. Richard Sipe, a professor at Johns Hopkins University, concluded that 23% of all priests are homosexual. The study was based on interviews with 1,000 priests and 500 people who said they were sexual partners of priests.

"You go to any seminary, you feel like you're in a gay bar, to be honest," says former Jesuit Robert Goss, now chairman of the religious-studies department at Webster University in St. Louis, Missouri. Goss left the priesthood after 11 years when he fell in love with a fellow Jesuit.

"I learned all my skills on cruising in a Jesuit rec room," says Goss, who believes that in communal religious environments such as the Jesuits, Dominicans and Franciscans, gays may account for up to 80% of the population.

"When I entered the Jesuits, I was like a kid in a candy store," Goss adds. "I found all these men like myself, and that's where I grew *(continued on page 101)*

"I don't care how trendy it is, Marsha—don't ever pee on me again."

(continued from page 90) to sexual maturity—mentored by other men. But they don't talk about it—'Don't ask, don't tell' was invented by the Catholics."

Like Goss, Todd Geels discovered the vast majority of students at his own Jesuit seminary were homosexual.

"When I was in Chicago, there were 27 of us—and I'd say 23 or 24 were gay," says Geels, who turned away from a life of monastic celibacy last year to pursue an openly gay lifestyle. While Geels saw some priests struggling to maintain their chastity, he witnessed others pursuing carnal knowledge on the sly.

"Jesuits are certainly not infrequent patrons of gay bars and other places in which you can find anonymous sex," Geels says. "They can be sexually active and not get thrown out [of the Church]; they just have to be clever about arranging their sexual activity.

"But a person can really fall into a double life," Geels adds. "Part of the time they're presenting this image of being chaste, and then they might be going out in the evening finding an outlet for sex."

Many observers believe that a double standard has long existed in the all-male world of clerical celibacy: While relationships with women are *verboten*, homosexual behavior is effectively tolerated, if only because same-sex relations are so taboo that they are not even talked about. This head-in-the-sand institutional culture is thought to be one of the reasons why more than 100,000 men have left the priesthood since 1969, 20% of them to marry.

"Mandatory celibacy is essentially creating a gay priesthood," says John Shuster, vice-president of Rent-a-Priest, a network of Catholic priests who have taken brides but continue their pastoral duties in anticipation of a day when the Church fully reinstates married clergymen. Shuster, who says he often found himself the object of amorous overtures by men in his religious community, spent a total of 16 years in the seminary.

The presence of active gays in the Church is an outrage to Stephen Brady, president of Roman Catholic Faithful, a conservative watchdog group that investigates illicit sex in the clergy.

"The active homosexual that's in the priesthood is a fraud," Brady scoffs. "He's representing himself to be a Catholic priest, which is by definition a celibate individual that's doing the will of God. If he's an active homosexual, he's doing something that the Church calls an abomination. Their life is a contradiction. Either accept what the Church teaches, embrace and promote it, or get out."

"The real issue is integrity—you don't get AIDS living a celibate life," says the rector of a large seminary on the East Coast, who speaks on the condition of anonymity. "If you want to live a wild existence, why would you join a group that's professedly celibate? Why would you get into something that would force you to live a double life?"

"Part of the time they're presenting this image of being chaste, and then they might be going out in the evening finding an outlet for sex."

While some ecclesiastics enjoy their gay lives while in the priesthood, many others are caught in a dark clerical closet. For these chronic repressives, sexual activity is often surreptitious and anonymous—and HIV infection is a great risk.

"Closetedness has impacted the priests I know who contracted AIDS; they just separate their whole sexual being from being a priest," says Robert Goss. "Some of the priests I know who contracted HIV got it at the bathhouses—they engaged in risky behaviors. They're denying the ability to really care for themselves."

In addition to creating a repressive climate where sex is forced into furtive realms that carry high risks of HIV infection, the system of celibacy may also be attracting individuals who are on the run from their own sexuality.

The St. Luke Institute is set high atop a hill in the Washington, D.C., suburb of Silver Spring, Maryland. With its paneled hallways, brightly lit community dining room and relaxing sundecks, St. Luke's exudes the ambience of a cozy lodge. But the idyllic feel of the place belies its mission—St. Luke's is a psychiatric treatment center specializing in sexually predatory priests. While they may look harmless, the casually dressed guests haunting the hallways and the lounges at St. Luke's are men of the cloth who have broken their vows of celibacy in the most heinous of ways—by sexually molesting boys and teenagers.

"Many of these guys went into clergy because they were really trying to control the impact of (continued on page 106)

(continued from page 101) their sexuality. It's magical thinking—that if they went into the priesthood, they wouldn't be sexual," says Father Curtis Bryant, former intake director at St. Luke's. During Bryant's nine-year tenure at the center, he treated more than 350 priests with sexual-conduct disorders. Bryant believes that the demands of celibacy—particularly the emphasis against sex with women—can push a sexuality that borders on deviancy all the way into man-on-boy pedophilia.

"They knew it was prohibited to have sex with women; so if they were going to be sexual, they'd start having sex with boys who looked like women or looked more female," says Bryant.

Bruce Pasternack, an Albuquerque-based attorney who built his practice on suing molester priests, has heard similar justifications voiced by "saintly" sex criminals in New Mexico.

"Some of the most pious priests, holding themselves up as symbols of rectitude to follow, were the guys having sex with boys," Pasternack says. "Their thinking was, 'I'm not really being uncelibate here. I'm just having sex with boys.'"

Tom Economus, president of LINKUP, a group that represents survivors of clergy sexual abuse, estimates that sexual-abuse lawsuits have cost the Catholic Church more than $1 billion since 1985.

"In our database, we have over 3,200 names of priests that have some form of sexual-abuse allegation against them—and those are corroborated situations where more than one person has come forward or someone has filed a lawsuit or they've been part of an investigation—not cases where somebody just called up with an accusation or anonymous cases," Economus says. "It's very sad that we have those kinds of numbers, but it certainly doesn't surprise me."

If there's a bright side to sexually transmitted diseases in the clergy, it may be that the Church will finally be forced to deal with sexuality in an open way.

Joe Kramer spent ten years in the Jesuit order, but he left his vows over the issue of mandatory celibacy, which he believes functions as a trap to keep weak-willed churchmen from fleeing into civilian life.

"Once you have someone feeling guilty and ashamed for who they are, you've got them," Kramer says. "When they falter, it fractures them—they are guilty; they feel shame. The Church uses this. That's how many people get bound to this institution. It's authoritarianism."

Celibacy was first mandated by the Catholic Church in 1139, via a papal decision that was intended to consolidate church power by ending property inheritance by priestly progeny. Prior to 1139, married priests were common. In fact, 39 popes have taken brides. Although mandatory celibacy has been in effect for 861 years, the Pope has the authority to nullify the ruling at any time. Father Dan McCarthy, an openly gay New York City priest, believes that the time has come for celibacy to be repealed.

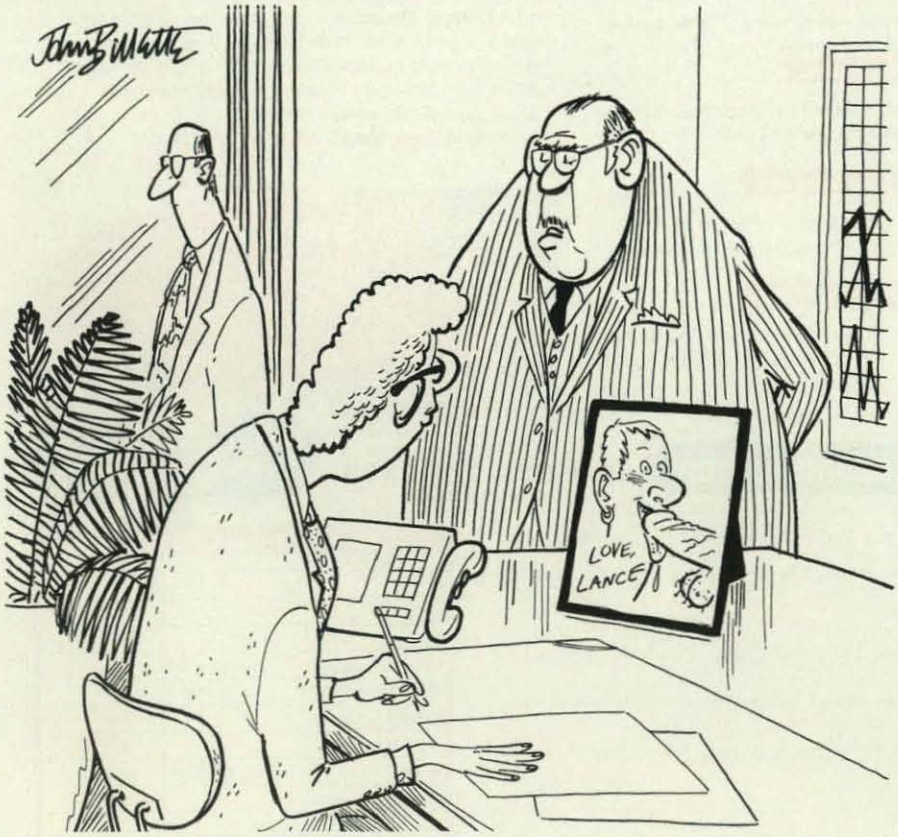
"Some old guy in Rome moves a pen across the bottom of a piece of paper, and suddenly it's all right for priests around the world to live in a normal way, and a moment before it wasn't," McCarthy says. "We've got to drop this whole thing—all these silly cat-and-mouse games about sexual experience. Obviously, human beings are sexual—how could you not be?"

If there's a bright side to the continuing tragedy of sexually transmitted diseases in the clergy, it may be that after thousands of years of silence and repression, the Catholic Church will finally be forced to deal with sexuality in an open and healthy way.

Father Dennis Rausch is one of the only priests in America to be completely open about having AIDS. Rausch first told his bishop, then his entire parish. Rausch believes his honesty has helped him forge a new connection with his flock.

"To go from that point of being fearful as to how people are going to respond, to telling them what your blood work is and they cheer and say, 'Hooray, good for you!' That's the kind of response I've gotten," says Rausch, who heads an AIDS ministry in Fort Lauderdale, Florida.

"I've had people come up to me after Mass and say, 'Father, I really appreciate you being honest; I was feeling alone, and now I feel closer to the Church and to God,'" Rausch says. "It's created a greater communication on all different levels. The truth will set you free, as the Lord said."



"Watkins, normally the firm encourages the display of family photos. However..."

"Season's greetings, this ain't no crap.
You got a serious case of the clap,
Dose of herpes, chancres too,
Merry Christmas, and our best to you."

Cops 'n' Hos

(continued from page 72) example of this "fine line," though he is quick to clarify that "for vice officers, it's not uncommon to have a drink, but not to the point of intoxication."

Regulations regarding the consumption of alcohol in the line of duty vary by department, but the specter of a crime-fighter/tippler hitting the sauce in his zeal to blend in with his underworld surroundings is frightening in any context. The consumption of alcohol typically impairs judgment, let alone motor skills. Richard Blackmore, an Austin, Texas, vice cop, was suspended in 1995 when it was discovered that he was stupefied by alcohol when he crashed his city-owned vehicle.

In some municipalities, officers are allowed to engage in sexual contact with whores in the course of their official police duties, blurring the distinction between law enforcers and lawbreakers.

In 1999, scandal rocked the town of Mesa, Arizona, when it was learned that undercover cops were stripping naked and allowing their genitals to be touched in their efforts to bust massage-parlor prostitution rings. Mesa Police Commander Rodney Johnston explained that it was necessary to do "certain things" in order to rid the community of a "certain element."

"The difference between the cops and the criminals is minute," says Dennis Hof, owner of the Moonlight Bunnyranch, a legal bordello outside of Carson City, Nevada. "Look at the situation in Portland [Oregon], where they have a couple of paid guys go and fuck the girls, and then the police arrest them. Whore-fuckers. That's what they do."

Harassment of whores at the hands of law enforcement does not always stop with extortion and rape; in some instances, hookers end up dead.

As outlandish as Hof's allegations sound, a police affidavit uncovered in 1993 by *The Oregonian*, a statewide newspaper, confirms that a confidential informer was given police-department money to buy six handjobs from the A-1 Massage Studio in Portland.

"I don't know of any other city in America that's paying guys to have sex with girls other than Portland, Oregon," says Phil Yoder, publisher of the *T & A Times*, a Portland newspaper that carries escort ads. "In the old days, cops needed you to tell them that you were going to have sex for money, and then they popped you; now they want you to go ahead and have sex with an informant, and then they'll pop you."

* * *

Harassment of whores at the hands of law enforcement doesn't always stop with extortion and rape; in some instances, hookers end up dead. Rosebudd believes that Sandy Bowers, a girl in his stable of hos who had developed a relationship with a crooked cop, was iced by the fuzz.

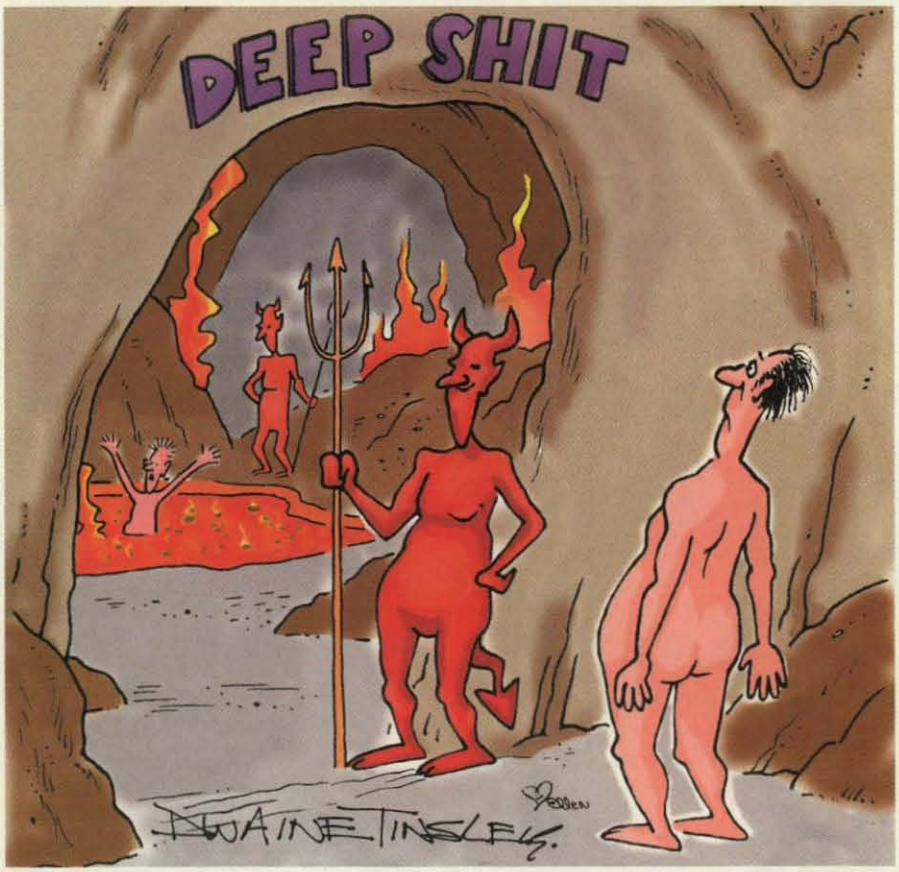
Sandy's boyfriend, Officer Jack Myers of the Los Angeles Police Department, was part of an all-cop burglary ring until he was apprehended loading stolen merchandise into his patrol car; Myers agreed to incriminate his cohorts in return for leniency. According to Rosebudd, 16 cops were implicated. Before he could testify, Myers somehow lost control of his pickup truck and landed headfirst in the middle of the Simi Valley freeway.

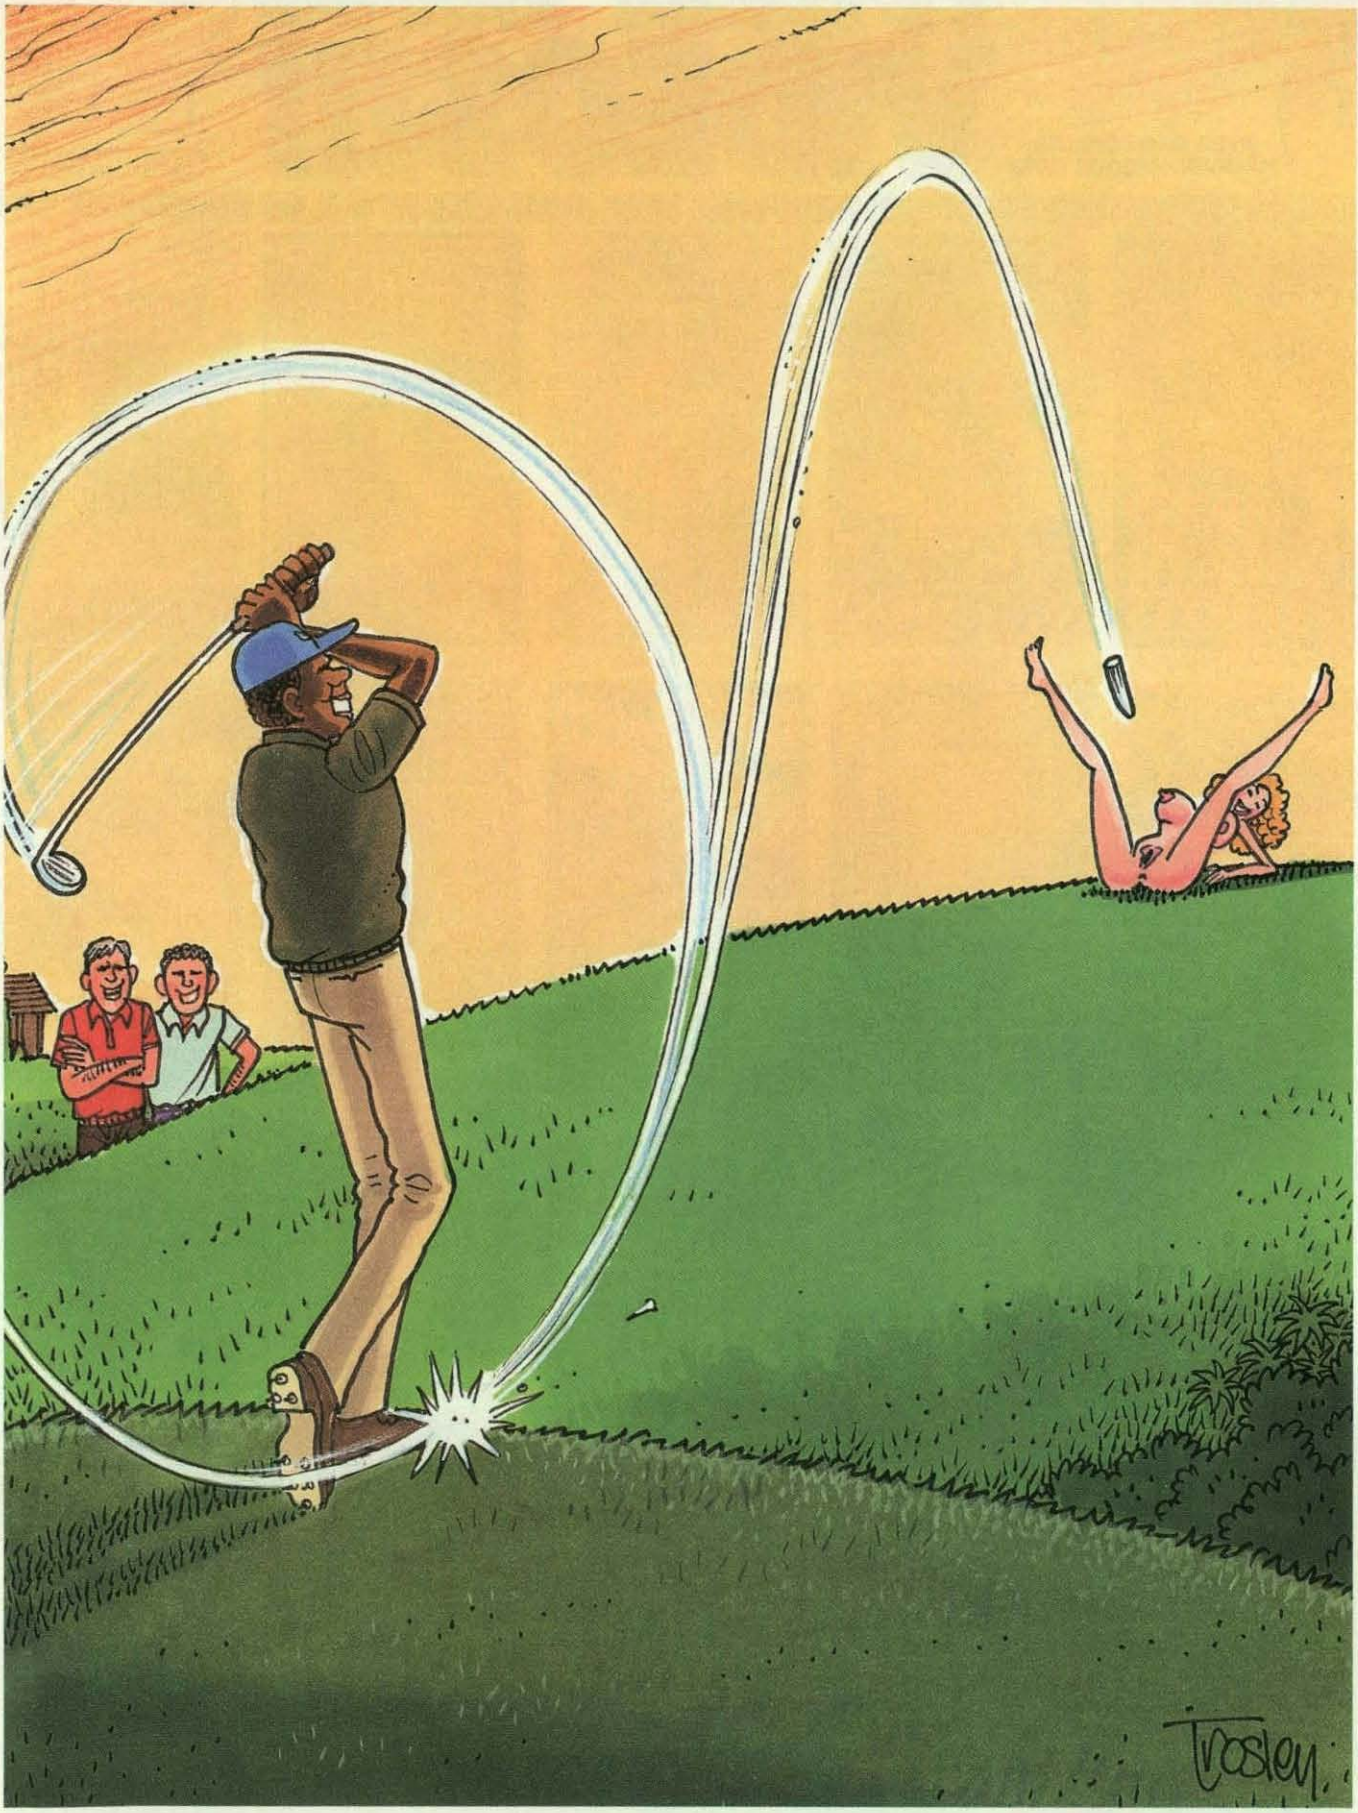
"Together, those 16 cops had 300 years on the force—they weren't going to go off easily," Rosebudd theorizes. "Sandy should have known better, but she didn't. The girl was so stupid; she went down to the police department and told them she would testify."

On the weekend before she was to appear in court, Sandy was found in Hollywood's Crest Motel with her throat slashed and a dozen stab wounds in her back. Deputy District Attorney Gilbert Garcetti admitted at the time that "it is curious that two of the people who could be valuable witnesses have ended up dead." To this day, Sandy's killers are at large.

Like method actors gone wrong, some vice cops leave public morality behind and, wearing the disguise of the underworld, become hooligans in their own right. Short of the radical reform of prostitution laws across the country, Daisy Anarchy sees no end to the oppressive and abusive relationship that exists between vice cops and whores.

"Sex workers are people that police can extort money from and get free sex from," Daisy says. "As long as prostitution is illegal, I don't see that changing."





"Tiger Woods can put anything in a hole."

TINA and LAURA are unlike any other dolls in the world. Designed and built for one of the largest European sex novelty companies, they are now available in the United States. Order from the company that originated the love dolls over 10 years ago. See for yourself what 10 years of research has done to the love doll. Only teenage TINA and her big sister LAURA contain the amazing exclusive form that expands *AFTER* you receive your exclusive love doll. This amazing breakthrough gives both TINA and LAURA the most life like qualities possible in a LIFE SIZE DOLL. Your playgirl comes complete with the built-in features.

Both TINA and LAURA have all their lovable soft-features built right in. Even their hands are not detachable. All their sexual organs have been designed to be a smooth continuous flow of their soft, well rounded bodies that feel so real, you'll wonder how this was ever accomplished

Even her sensuous lips, and deep throat mouth, powered by air suction, can open and close gently, thanks to her newly designed soft face. And best of all, you can order direct from the manufacturer, and save about ½ of what you would normally pay through a local mail order house. Dress her the way you want your girl to dress. Your playgirl wears real clothes. Dress your doll to suit your mood. She'll be a lady, or a vixen. You decide.

I slipped my fingers into Phoebe's satin panties and fondled her labes. Her cunt muscles quivered and drooled juice.

(continued from page 47) whirled around, eyes bulging. I stared at her, a bit shaken myself, but unstoppable. I placed my hands on her buoyant booty and squeezed lightly.

"Mrs. Jacobs," Phoebe sputtered, her olive complexion deepening.

My foot stomped the vacuum cleaner switch to hush its howling. Phoebe stood, stiff and nervous in my embrace, but her nipples were hard, scraping softly against my own tingling tits. I unbuttoned the demure domestic's blouse; she uttered no protestations. I unlatched her silky, white bra. Two perfect domes of flesh sprang toward me. Phoebe remained still; so I continued to undress her. Her modest, khaki skirt fell to her feet. Phoebe's body was exquisite; I could barely breathe. I ran my hands along her smooth, warm thighs.

"Your hands are so soft," Phoebe choked, her voice trembling. "I don't think I've ever felt such a thing."

Emboldened, I slipped my fingers into her satin panties and fondled her labes. The lips were damp and sprinkled with downy pubes. My clit throbbed, butting against my underwear. I slid two fingers inside of Phoebe's slit. Her cunt muscles quivered and drooled juice.

"What if Mr. Jacobs were to come home?" Phoebe wondered aloud, furrowing her brow.

"He won't," I asserted. "Even if he did, I wouldn't care. The poor sap might as well know the truth—that all I really want in this life is to be a rug-muncher."

With this declaration made, I yanked Phoebe's undies off and dove into her muff. My tongue burrowed into Phoebe's tender cavern, attempting to tickle her cervix. The sweet housekeeper's honey dripped down my throat; I quivered and clutched her buns roughly, desperate to plunge deeper within.

"*Aauuughh*, Mrs. Jacobs!" Phoebe squealed, her fingernails caressing my skull as she clutched my hair. "Good God, you make my pussy scream!"

I grabbed Phoebe's waist and pulled her to the floor, seating her comfortably on my face. Phoebe bounced and shimmied against my mouth, glazing my mug with her tangy gash gunk. I reached for her ample knockers and squeezed, delighting in her gorgeous girl flesh. In turn, Phoebe reached for my titties and twisted my nipples. Electricity coursed through my blood; a puddle of nectar dribbled from my overstimulated cooter.

"I'm coming, Mrs. Jacobs!" Phoebe cried as her cunny convulsed and gripped my tongue.

I sputtered as a flood of brine splashed into my nose and mouth, nearly drowning me. Phoebe stretched out on top of me, jabbing her tongue down my throat.

"Sorry I drip so much; I hope you don't mind," she slurped. "*Mmmmm*, my kitty tastes good."

Phoebe stuffed three fingers into my flue and massaged my clit with her thumb. I wailed, relieved to have my needy nubbin rubbed. The merry maid sucked my tits while her hand frenetically worked over my cooch. Phoebe straddled me and bucked wildly, her huge hooters flopping as she ground her poon into mine. The crazed cowgirl whooped and crowed and came again. I had unleashed the beastly lesbian within us both.

"You're going to come too, Mrs. Jacobs," Phoebe wailed, making good on this assertion by burying her face between my legs and lapping my twat. Almost instantaneously, a wickedly intense orgasm shook me to the bones. I screamed, tears of joy rolling down my face.

I could barely stand, much less walk, after that experience. Phoebe helped me into the shower and joined me so we could wash the telltale aroma of snatch from our bodies. I started crying under the warm spray, this time out of sadness that I'm married to Mr. Jacobs, instead of Phoebe. Phoebe assured me that she was my good buddy now, and I could count on her any time I wanted to fuck. I can't look my husband in the eye, let alone fake enthusiasm for his nightly blowjobs anymore. I want Phoebe to be my one and only. I hope this doesn't mean I'm damned to hell. —D. J.

Dummy Fucker

After my trucking accident, I was useless for a good two months. I sure as shit couldn't fuck my wife, lest I wind up with a bellyful of busted stitches. To keep my Velma satisfied while I was out of commission, I thought it would be a kick to surprise her and order a male love doll (they make those, you know) to help her pass the time. Velma sure was pleased when the vinyl carcass arrived. She named him Thick Willy and pro-

Our 20 million customers tell us the Dr. Bross pumps are #1

We receive thousands of letters and photos from satisfied customers – too many to print here. This is what some of our satisfied customers say about the Dr. Bross Pumps...

I thought you might want to see some before and after pictures. That's a picture of me when I just got your pump. I was about 4 inches. After using your pump you can see the other picture I am now 9 inches. Of course the women I go out with love my new cock. I am very happy but I am going to try for 11 or 12 inches. **C. P., California**

I tried bulb pumps & centric pumps...nothing happened. Then I tried Dr. Bross' Easy-Touch Pump & it was fantastic. I went from 7½ inches to 11 inches. It was real easy to use. This pump is a miracle. I recommend it to anyone who wants a bigger cock. The pump did what you said it would do, enlarge my penis. I'm very happy with the results and so is my wife. Thank you. **A. R., Texas**

Adult video actor Jon West tells us the Dr. Bross Pumps are #1...

"The Dr. Bross Pump is fantastic. I use it and so do many adult video actors. For total penis enlargement, to make you thicker, longer and harder."

DR. BROSS PENIS PUMP EXCLUSIVE FEATURES NOT FOUND ON OTHER PUMPS

The Penis Pump adjusts to the size of the penis inserted in the cylinder. Our Power Vacuum Controller then adjusts the correct amount of vacuum you personally need for your penis enlargement.As you grow in size the Power Vacuum Controller continues to adjust to your penis size to give you Maximum Penis Enlargement up to 12 inches!

Exclusive injection molded totally enclosed Vacuum Seal clear cylinder Guarantees 100% Vacuum and no air loss.

The Dr.Bross Penis Pumps are designed specifically for Penis Enlargement. For Maximum Penis Enlargement you need the best Penis Pump and the best Penis Cylinder.Many of our customers also tell us that the Dr.Bross Pumps gives them incredible sensations for masturbation.

HOW IMPORTANT IS THE PENIS PUMP CYLINDER?

Other cylinders are made from raw plastic hollow tubing flat at the top, cloudy and color tinted which makes it difficult to see your penis inside the tube. This hollow tube is glued to a pump and you don't have a closed connection.You have air loss and so you do not have the correct vacuum needed for penis enlargement.. The flat top of the tube prevents air from flowing to all surfaces of the penis and so there is no "surface vacuum" A hard rubber ring is used at the end of the cylinder.

Now look at the Dr. Bross Penis Cylinder. The Dr. Bross Penis Enlargement Cylinders are made of the highest quality injection molded crystal clear K-Resin for strength and totally enclosed to prevent vacuum loss. Notice the shape of the Dr.Bross Penis Cylinders. The Cylinder is curved and conforms to the shape of the penis.This means the air flow travels continuously around the penis which creates a "surface vacuum" on the penis shaft which causes the penis to grow beyond your wildest imagination. Now you have a longer, thicker and harder penis up to 12 inches! Added feature is the insertion ring at the end of the clear cylinder that can be adjusted to fit any size penis comfortably.All of the Penis Cylinders shown here can easily be cleaned.

INDEPENDENT TESTING COMPANY SAYS DR. BROSS PENIS PUMPS ARE #1

Tests determined the effectiveness and reliability for each pump. Squeeze bulb pumps did not create the correct vacuum needed for penis enlargement. The one piece battery pump wiring and motor rusted after cleaning and the electric pumps use a small fish aquarium motor converted from blowing bubbles in water to suck air. Both pumps did not create the correct vacuum needed for penis enlargement.

The Dr. Bross exclusive power vacuum controller creates and sustains the correct vacuum needed for penis enlargement. This feature is not found on the other pumps. The Dr. Bross cylinders are made of the highest quality injection molded clear Resin-K for strength and to easily view the penis enlargement. The cylinder is totally enclosed to prevent vacuum loss. The other manufacturers cylinders were cloudy and had a color tint and the plastic was cut from straight raw tubing and glued to the pumps.

After all of our tests we have determined that the Dr. Bross Penis Pumps are far superior to any other vacuum pumps for Penis Enlargement. For the most features the Dr. Bross Easy-Touch Penis Pump has the highest rating of all penis pumps.

Dr. Joel Bross is a noted sex therapist, clinical sexologist in private practice since 1974. He specializes in sexual concerns for both women and men. He is responsible for the production of numerous educational sex videos.

All of Our Pumps Are Made in the U.S.A. www.enlarge-penis.com

The Pump is directly connected to the side of the clear Penis Cylinder. The air flows evenly and smoothly from the Pump to the clear Cylinder for faster vacuum response. Only a couple of strokes from the extra long 10 inch piston assembly is all you need for Penis Enlargement. The low cost makes it possible for anyone interested in Penis Enlargement to have a Dr. Bross Pump. **Reg. $65.00 now only $19.95**

Exclusive design with Direct Sealed Penis Pump connection to the clear Cylinder. Instead of a one piece centric pump, with the Dr. Bross Power-Flow Pump you can remove the Pump for easy cleaning of the Cylinder. The Power-Flow requires a minimum of pumping to achieve Penis Enlargement. For men who want immediate results in the shortest possible time. **Reg. $90.00 now only $29.95**

Features the only enclosed self-contained motorized housing battery pump. One hand operation. Press the switch to start and release your finger to stop the motor. You have complete control for continuous vacuum for Penis Enlargement. Important Exclusive Features: The self-contained motorized electronic unit can be removed to clean the clear cylinder tube. Other battery pumps with parts imported from the Orient have the motor, wires and batteries attached to the tube and with use and cleaning will rust and damage the motor and batteries. Velma threw her ass violently against the plastic pelvis, crushing every inch of the fabricated meat into her sphincters.

ceeded to fuck the dumb, inanimate bastard three times a day.

Velma was giddy when Thick Willy arrived in the mail, and I was tickled by her reaction. *What fun this will be to watch!* I chuckled to myself, pleased that my condition allowed for new and entertaining bedroom antics. Velma dolled up in my favorite Frederick's of Hollywood ensemble: a red, gauzy, G-string getup. She painted her lips scarlet and piled her blond mane on top of her head. Before mounting Thick Willy, Velma allowed me to fondle her ass and titties a smidgen.

"Don't strain yourself now, Gerald," my wife scolded, removing my mitts from her tasty bits and trotting to the La-Z-Boy recliner, where Thick Willy was gaping blankly at the television.

Velma swiveled the chair so that Thick Willy was in profile, offering me a nice view of the performance. Velma kneeled at the priapic mannequin's feet and swallowed his dildo dick. My log hardened as her tongue anointed the faux peen with long, firm strokes. Velma flogged her gulch a bit, then leaped to her feet and grinned at me.

"Time for the lube," she laughed, scuttling to the bedside table and removing a tube of K-Y.

Velma crouched over Thick Willy and slathered his plastic peter with jelly. She turned her ass to him, rubbing the artificial shaft between her cushiony buns.

"*Oooh*, that's nice," Velma cooed.

Thick Willy continued to stare lifelessly as Velma's velvety tush caressed his imitation dong. Velma turned around to face the mannequin, jacking his stick with her dainty hand and winking at me. My balls ached; I pulled on my pud for relief.

"I'm gonna sit on the dummy's hard-on," Velma announced, her voice bright with excitement.

My dick twitched as Velma mounted Thick Willy and effortlessly slid onto his plastic pole. Velma purred and locked her arms around the doll, humping rhythmically. Each thrust increased Velma's fever. Her skin was flushed. She ran her tongue over Thick Willy's emotionless mouth and rubbed the silent lips across her boobs.

"Yeah, Thick Willy," Velma crooned, then, turning to me, mused, "I wonder if Mr. Stiffy can fuck me in the ass?"

I yanked anxiously on my hammer and urged Velma to test the dummy's colon-reaming capabilities. Velma crouched on her hands and knees, balancing the man-thing on her back. Thick Willy's feet rested on the La-Z-Boy. Velma grabbed the toy tool and, with a little squeak, wedged it into her pooper.

"*Mmm-hmm!*" Velma grunted, her ass vaulting toward the ceiling and sending Thick Willy's limbs into heavy, clumsy spasms.

The spectacle was comical, but the pleasure Velma was experiencing in her backside kept my wang from wilting under a fit of giggles. Purple-faced with passion, Velma rested her head on the floor. Keeping her ass up, she locked Thick Willy's flappy arms under her elbows and wrapped her feet around his legs, securing the dummy's flailing appendages. With Willy thus restrained, Velma threw her ass violently against the plastic pelvis, crushing every inch of the fabricated meat into her sphincters.

"Scratch it *deeeep!*" Velma howled, climaxing with such ardor that I was almost alarmed. Nonetheless, I came forcefully enough to blast a wad of spunk through the air. The goo landed a hair shy of Velma's ear.

Velma collapsed onto the floor like a rubber chicken. Thick Willy toppled loosely on her prone frame, his dull face gazing into the carpet. Velma recovered enough to crawl into bed and cuddle next to me, a gesture that's become increasingly scarce since her relationship with Thick Willy has deepened. Velma is so thrilled with her plastic pal, she has little use for me anymore. I've been back up and running for three weeks now, and I have to do a fucking song and dance to swindle even an ounce of the pussy that Thick Willy scores. Sure, it was fun the first 50 times. Velma puts on quite a show. It wasn't until my body was back in working condition that I realized I was being cuckolded for the love of a rubber man. That first night, the love doll remained facedown on the floor, but now he shares the couch with Velma most evenings. (I'm not letting that plastic bastard into my bed; you think I'm some kind of faggot?) I'm becoming desperate, but I think Thick Willy's seen his last piece of my wife's pie. On the way back from the mailbox, I'm fetching the ax.

Diane's
Rude Ass

Diane is a sweet-looking lady who fools the world with gentle manners.
The doe-eyed deceiver needs only open her mouth, and the Daddy's girl illusion shatters.
Her soft pout conceals a roiling passion for anal violation:

"I don't need some closet fag to talk fashion and Ally McBeal if he wants to pack my shit.

"The dumb slits who whine 'be gentle' when their butt is in the air make no sense to me.

If you're going to fuck my ass, pound it. Leave my sphincters raw.

If I want soft, I'll play with my stuffed animals.
Sodomy demands hard wood, and no cute pet names."

Coming Next Month in HUSTLER

2001 A Snizz Odyssey

The stellar slits gracing January's HUSTLER help readers ring in the new year with a few stiff ones. A lumberyard provides Gilli with the hard wood she needs to appease her passion for nature. Dawn rises on a grassy meadow, displaying pink hues guaranteed to captivate onlookers. Helene and Camilla become soaked without ever diving into their swimming pool, and Ingrid sets aside her paintbrushes to let Daniel pound her palette in a penetrating art lesson. HUSTLER's January issue resolves to enter bold new worlds of 21st-century sleaze.

Slaves to Porn?

Antiporn warriors have added a new weapon to their sex-oppression arsenal: the porn addict. Trotting out disgraced politicians, clerics and quack therapists, conservative groups are using a recently concocted branch of pseudoscience to further their puritanical agenda. Media-whore relics such as Donna Rice, who has disavowed her past as former presidential candidate Gary Hart's partner in "monkey business," are now fighting to shut down sex emporiums and save victims from the "clutches" of pornography. Reporter Reni Lagorio examines the strange bedfellows of the latest antisex crusade.

Autofellatio Because They Can

Only two or three males in a thousand have the ability to plant their mouths on their peckers and suck, thereby achieving the fabled feat of oral masturbation. Whether it's in private or in specialty videotapes, these lucky stiffs milk their rare talent for all it's worth. However, a nagging question lingers over the practice and those who engage in it: Does blowing yourself qualify you as gay? The January *Sex Play* ducks its head into the world of men who suck dick but maintain that they're straight.

Ring in the Blue

January's HUSTLER travels to India and finds that the Land of Snake Charmers produces stroke flicks hotter than a tandoor oven. *Erotic Entertainment* cracks open a foamy 12-pack of XXX reviews. *Bits & Pieces* starts the new year with insulting satires for the masses. Poison-penned cartoonists scratch out 26 shameless cartoons for recovering revelers. The January HUSTLER will pop corks and leave ball droppings everywhere.

January 2001 HUSTLER on sale November 14.
